My Life Song

An Autobiography

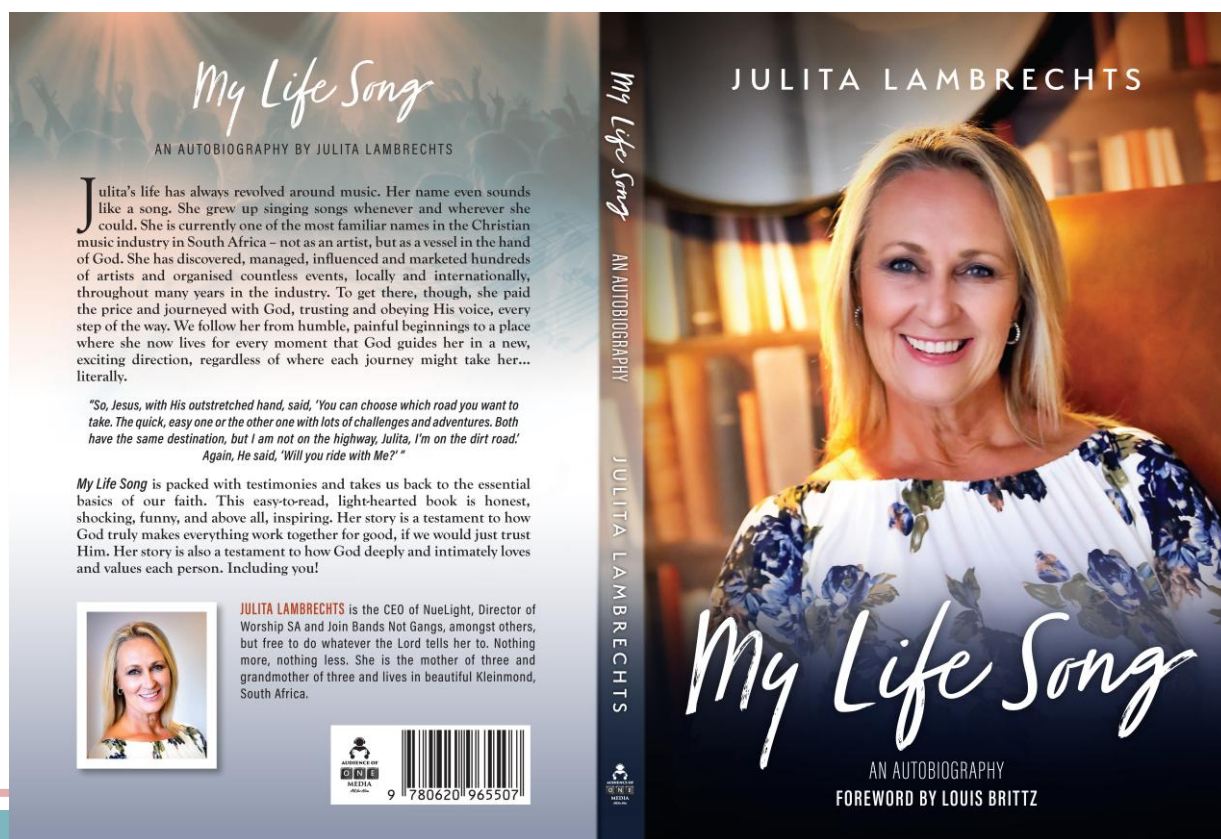

Julita Lambrechts

Best seller
Sold over 1,000
copies

Julita Lambrechts is the CEO of NueLight, Director of Worship SA and Join Bands Not Gangs, amongst others, but free to do whatever the Lord tells her to. Nothing more, nothing less. She is the mother of three and grandmother of three and lives in beautiful Kleinmond, South Africa.

Julita's life has always revolved around music. Her name even sounds like a song. She grew up singing songs whenever and wherever she could. She is currently one of the most familiar names in the Christian music industry in South Africa – not as an artist, but as a vessel in the hand of God. She has discovered, managed, influenced and marketed hundreds of artists and organised countless events, locally and internationally, throughout many years in the industry. To get there, though, she paid the price and journeyed with God, trusting and obeying His voice, every step of the way. We follow her from humble, painful beginnings to a place where she now lives for every moment that God guides her in a new, exciting direction, regardless of where each journey might take her... literally.

My Life Song is packed with testimonies and takes us back to the essential basics of our faith. This easy-to-read, light-hearted book is honest, shocking, funny, and above all, inspiring. Her story is a testament to how God truly makes everything work together for good, if we would just trust Him. Her story is also a testament to how God deeply and intimately loves and values each person. Including you!

Being Elma

Debugging the Asperger's Code

Elma Ferreira

This unusual, but highly informative book will open your eyes to the extraordinary life of Elma Ferreira—artist, music composer, singer, mentor, author and specialist computer programmer of 15 languages—as you join her on her journey to "become a person". Misunderstood for the first 56 years of her life, Elma finally discovered—with the help of her doctor, psychologist and a few amazing friends, or angels, as she refers to them—that she is also a person who matters and can connect with other people. Filled with fascinating stories, nuggets of wisdom and colourful, expressive paintings (which were made during the therapeutic process to try and explain her thoughts), this book is an inspiring read. It will bring a new appreciation, a deep insight and understanding of those who live on the autism spectrum, and those who love them.

From the Foreword written by her psychologist:

Once in a lifetime one may find a true gem. And hardly ever is a gemstone or a treasure found without toiling through unyielding layers of earth. Upon finding a gemstone one may still have to crack it open, cut and polish it before its beauty is revealed. Gems need to be glistening in your mind's eye long before you start digging... Accompanying and directing Elma on her therapeutic journey confirmed my belief in the unique beauty of every person's character. This book tells the story of Elma's experience of her therapeutic progress over the better part of three years... Don't expect the ordinary

Elma Ferreira
lives in
Somerset West,
Cape Town, and
continues to
teach art and
music.

Being Elma - Debugging the Asperger's Code

To the casual observer, Elma had it all.

Art and Spanish guitar teacher, software development manager and mentor, music composer, author, stage performer, life coach, and single mother of two sons. Yet, for most of her life she had to fight her own demons. Demons she did not understand herself. Demons that she could not explain to anyone else.

Elma was diagnosed with Asperger's Syndrome only at the age of 56. Until then, she had suffered being laughed at, made fun of, being an outcast and considered "weird", as she had always been unable to grasp the intricacies of communication, relationships and social conventions. Until that fateful morning after Black Monday when she realised that she needed her own special "Angel" more than ever.

This is the story of her journey and the struggle to become visible; to become, in her own words, a person. It is a gripping tale of overcoming the debilitating effect of Asperger's on her life and on the lives of those close to her. Not only is it a story of determination and ultimate victory, but also of hope for the many sufferers of Asperger's out there.

Beautifully written and illustrated with 20 original paintings by Elma, it is a true story that reads like a novel and it will grip you from the first to the last page.

Stilettos, Sandals, Barefoot

Marina Olivier

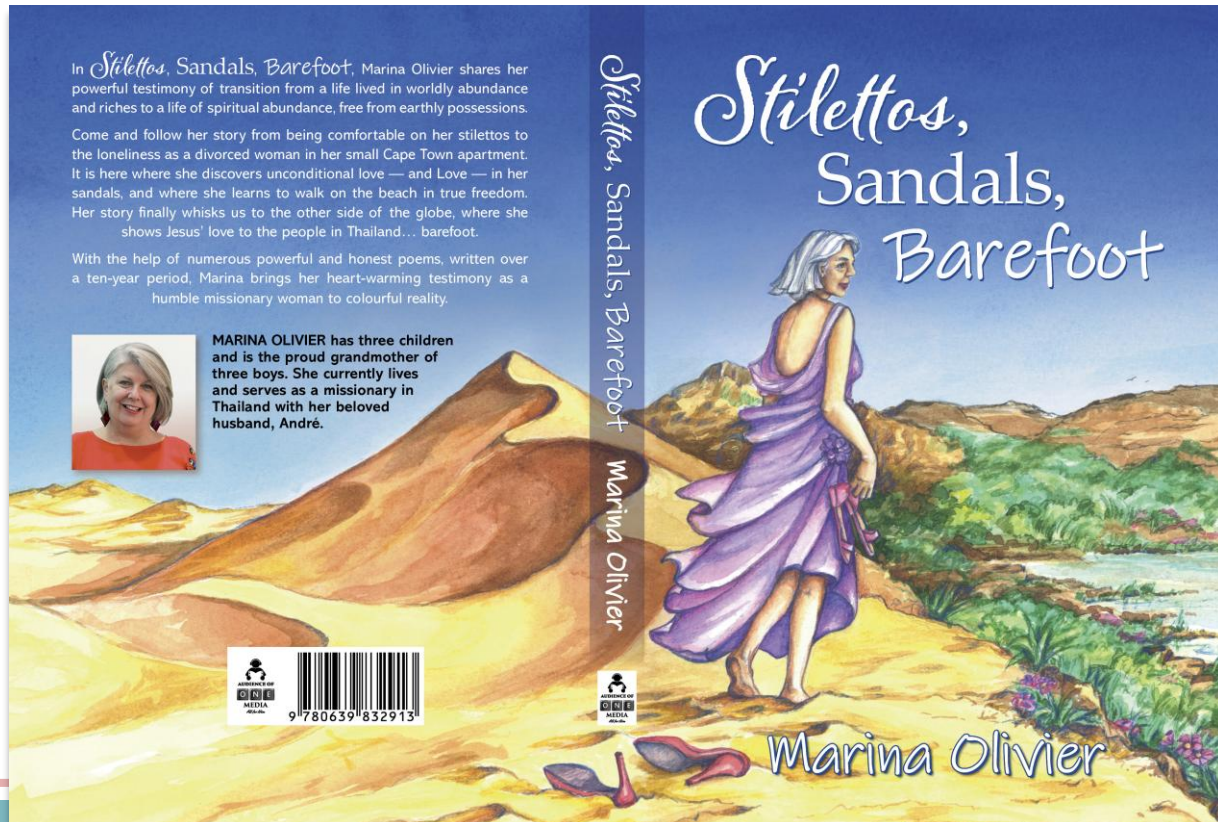

Marina Olivier

has three children and is the proud grandmother of three grandsons. Together with her beloved husband, André, Marina currently leads a missionary's life in Thailand.

Stilettos, Sandals, Barefoot is an exciting (and surprisingly romantic) poem-infused autobiography spanning ten years of Marina's life-journey.

We follow her from the time she would never be caught without makeup and stilettos, to where she became comfy with her sandals and now really loves being herself and barefoot while serving in Thailand as a missionary. We meet her in a dark time, trying to find herself and God after a difficult divorce. After that, we are excited with her about a new life in Christ, and a new love that blossoms. Finally, we are grateful with her for a new vocation, a new life in a distant, foreign country filled with interesting challenges and a glimpse into the everyday existence of a nation that desperately needs God and the missionaries who are trying to reach them.

An inspiration to all women who think they need to be perfect in the eyes of the world, but long to just let go and be loved for who they are when they don't have their daily masks plastered on. A true testimony of second chances that aren't impossible for God to give each person..

The Last Call

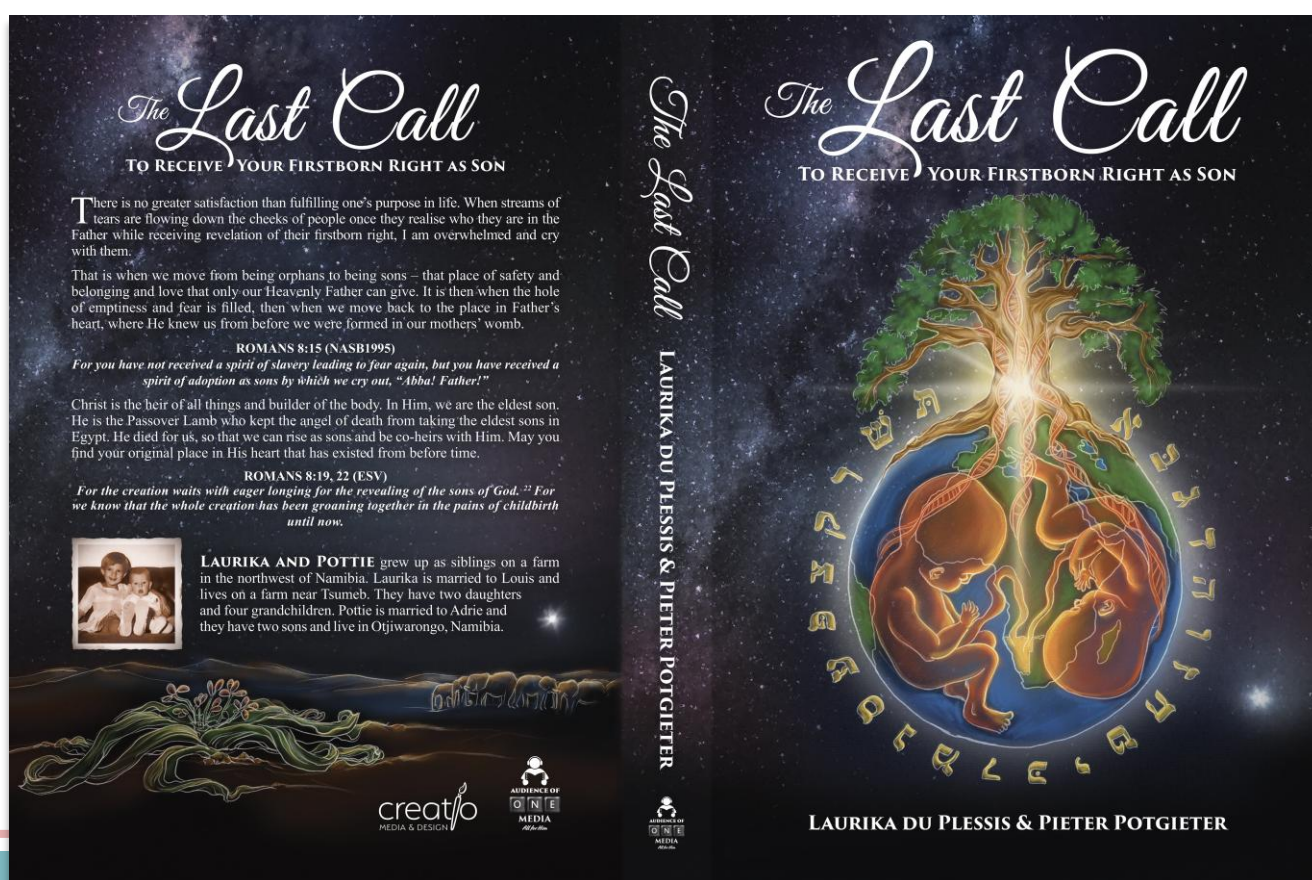

to receive your firstborn right as son

Laurika du Plessis & Pieter Potgieter

Laurika and Pottie grew up as siblings on a farm in the northwest of Namibia. Laurika is married to Louis and lives on a farm near Tsumeb. They have two daughters and four grandchildren. Pottie is married to Adrie and they have two sons and live in Otjiwarongo, Namibia.

There is no greater satisfaction than fulfilling one's purpose in life. When streams of tears are flowing down the cheeks of people once they realise who they are in the Father while receiving revelation of their firstborn right, I am overwhelmed and cry with them. That is when we move from being orphans to being sons – that place of safety and belonging and love that only our Heavenly Father can give. It is then when the hole of emptiness and fear is filled, then when we move back to the place in Father's heart, where He knew us from before we were formed in our mothers' womb.

Christ is the heir of all things and builder of the body. In Him, we are the eldest son. He is the Passover Lamb who kept the angel of death from taking the eldest sons in Egypt. He died for us, so that we can rise as sons and be co-heirs with Him. May you find your original place in His heart that has existed from before time.

Divine Design of Mankind

Gerrit Nel

Best seller
Sold over 1,000
copies

Gerrit Nel (1959-2018) left behind a wonderful legacy as well as his wife and ministry partner, Martie Nel and their children.

More titles coming soon:

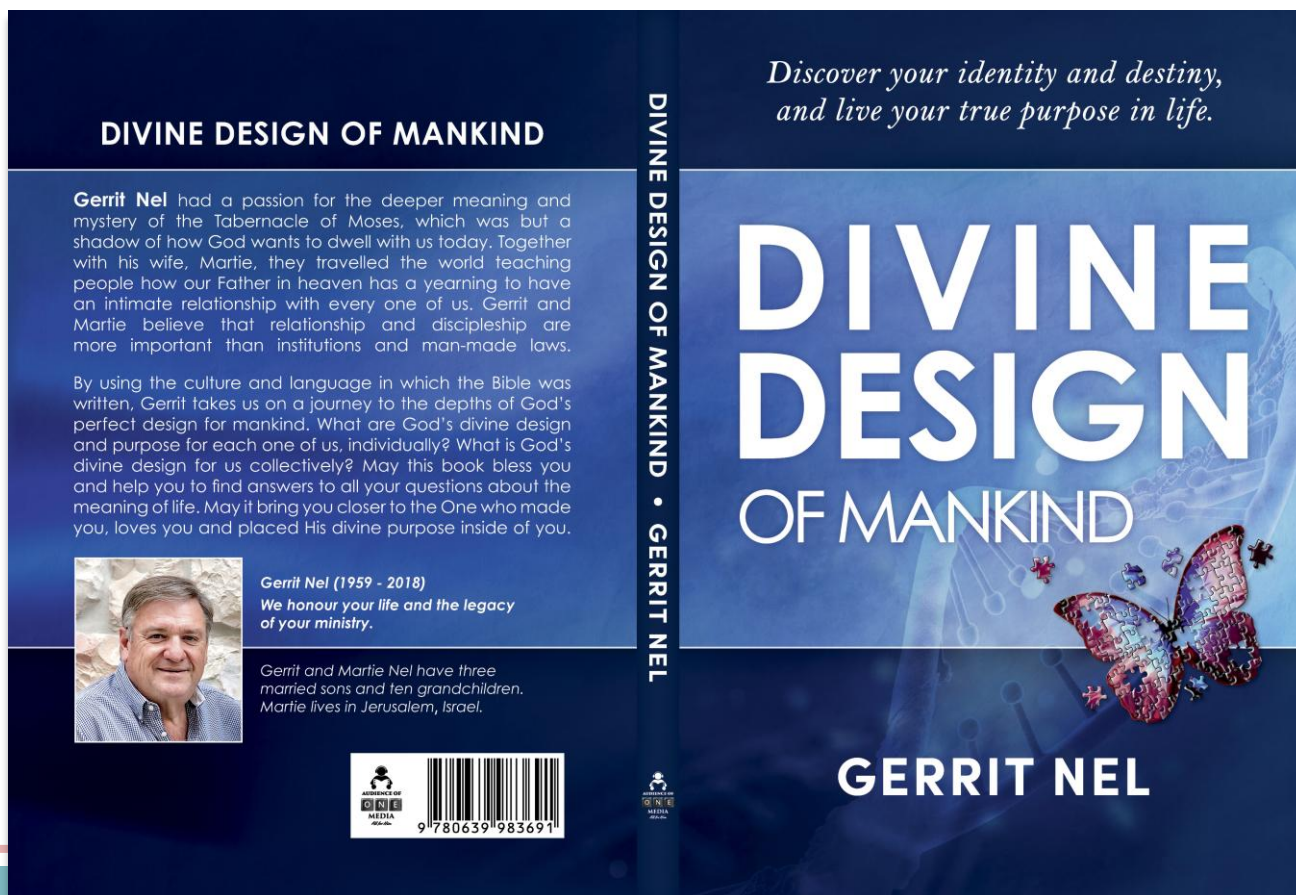

- *Baptism of the believer*
- *The Tabernacle*
- *Mystery of the anointing oil (also in Afrikaans)*

By using the culture and language in which the Bible was written, the late Gerrit Nel takes us on a journey to the depths of God's perfect design for mankind. What is God's divine design and purpose for each one of us, individually? What is God's divine design for us collectively, as believers in the Messiah to come and for mankind in general?

In the chapter, "The Blueprint", Gerrit wisely said, "We are called to have influence in the lives of others and to leave a legacy for the next generation."

Later, he said, "So often we are busy building monuments for ourselves instead of leaving a legacy. Every one of us is responsible to fill that specific gap with the jigsaw puzzle piece entrusted to us."

May this book bless each reader and help them find answers to all their questions about the meaning of life. May it bring them closer to the One who made them, loves them and placed His divine purpose inside of them.

Spirit @ Rest

A memoir about a journey of spiritual discovery

Leela Verity

New release

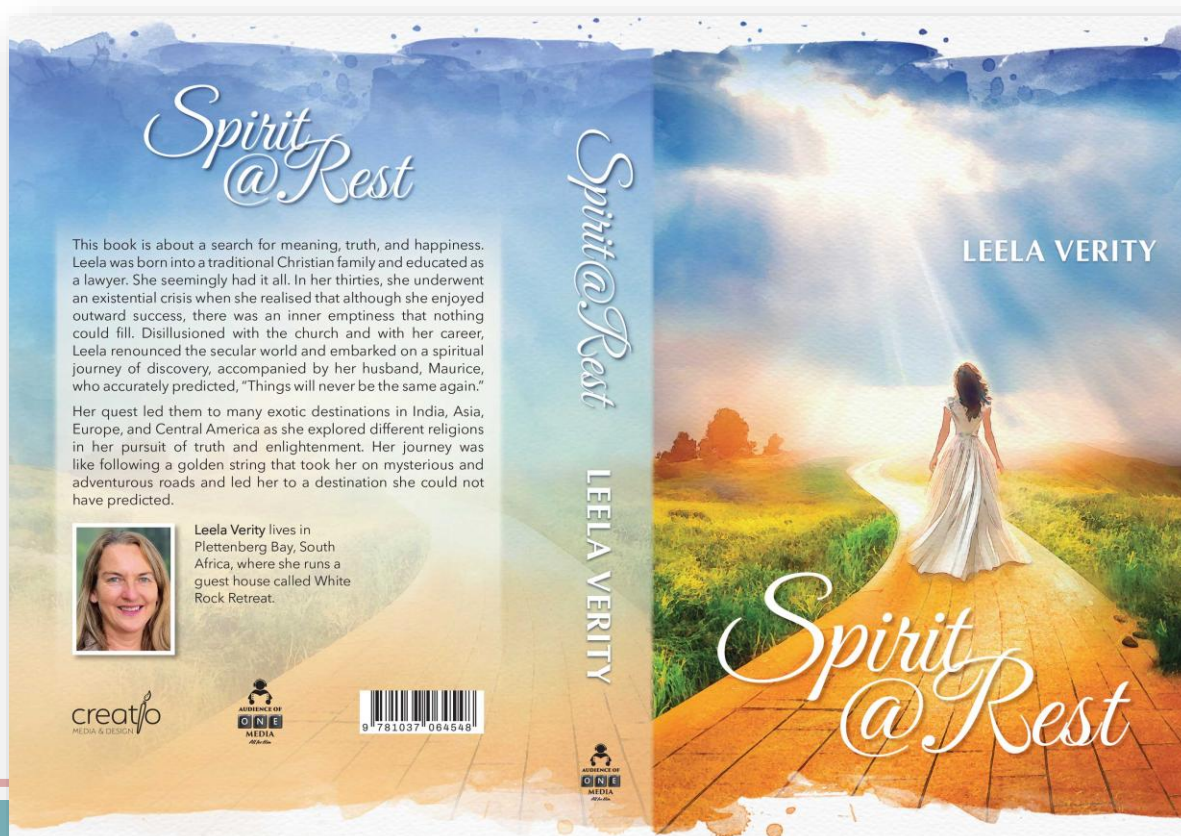

Leela Verity lives in Plettenberg Bay, South Africa, where she runs a guest house called White Rock Retreat.

This book is about a search for meaning, truth, and happiness. Leela was born into a traditional Christian family and educated as a lawyer. She seemingly had it all. In her thirties, she underwent an existential crisis when she realised that although she enjoyed outward success, there was an inner emptiness that nothing could fill.

Disillusioned with the church and with her career, Leela renounced the secular world and embarked on a spiritual journey of discovery, accompanied by her husband, Maurice, who accurately predicted, "Things will never be the same again."

Her quest led them to many exotic destinations in India, Asia, Europe, and Central America as she explored different religions in her pursuit of truth and enlightenment. Her journey was like following a golden string that took her on mysterious and adventurous roads and led her to a destination she could not have predicted.

This book will provide you with an in-depth view through the first-hand account of someone who has not merely studied other religions on the surface but, with an open, seeking, hungry heart, has fully immersed herself and practised them with heart and soul... for decades.

A Story of God's Grace

Autobiography of Nanda & Vidia
Govender

Antoinette Kloppers

New!

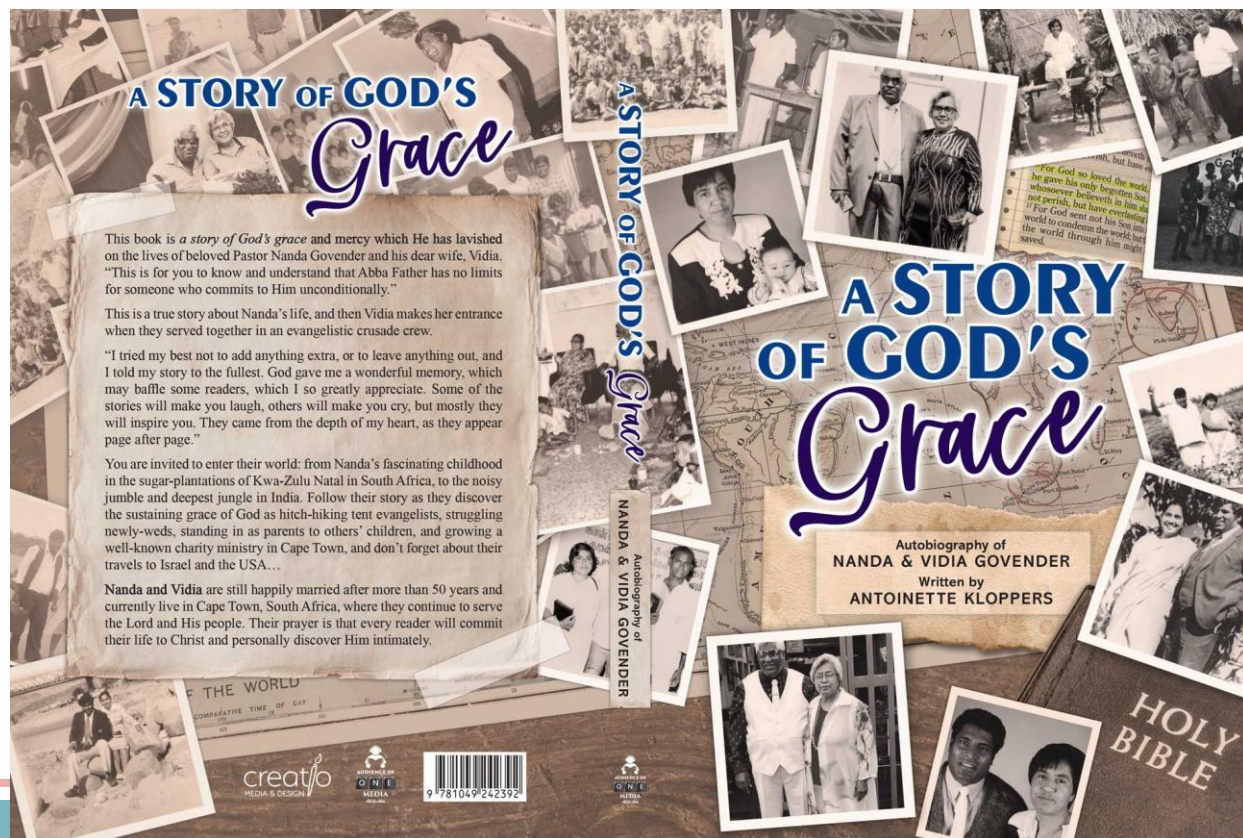

Pastor Nanda and Vidia Govender are still happily married after more than 50 years and currently live in Cape Town, South Africa, where they continue to serve the Lord and His people. Their prayer is that every reader will commit their life to Christ and personally discover Him intimately.

This inspiring book is a story of God's grace and mercy which He has lavished on the lives of beloved Pastor Nanda Govender and his dear wife, Vidia. "This is for you to know and understand that Abba Father has no limits for someone who commits to Him unconditionally."

This is a true story about Nanda's life, and then Vidia makes her entrance when they served together in an evangelistic crusade crew.

"I tried my best not to add anything extra, or to leave anything out, and I told my story to the fullest. God gave me a wonderful memory, which may baffle some readers, which I so greatly appreciate. Some of the stories will make you laugh, others will make you cry, but mostly they will inspire you. They came from the depth of my heart, as they appear page after page."

You are invited to enter their world: from Nanda's fascinating childhood in the sugar-plantations of Kwa-Zulu Natal in South Africa, to the noisy jumble and deepest jungle in India. Follow their story as they discover the sustaining grace of God as hitch-hiking tent evangelists, struggling newly-weds, standing in as parents to others' children, and growing a well-known charity ministry in Cape Town, and don't forget about their travels to Israel and the USA...

Let the Light in

A faith journey towards a life in the Light

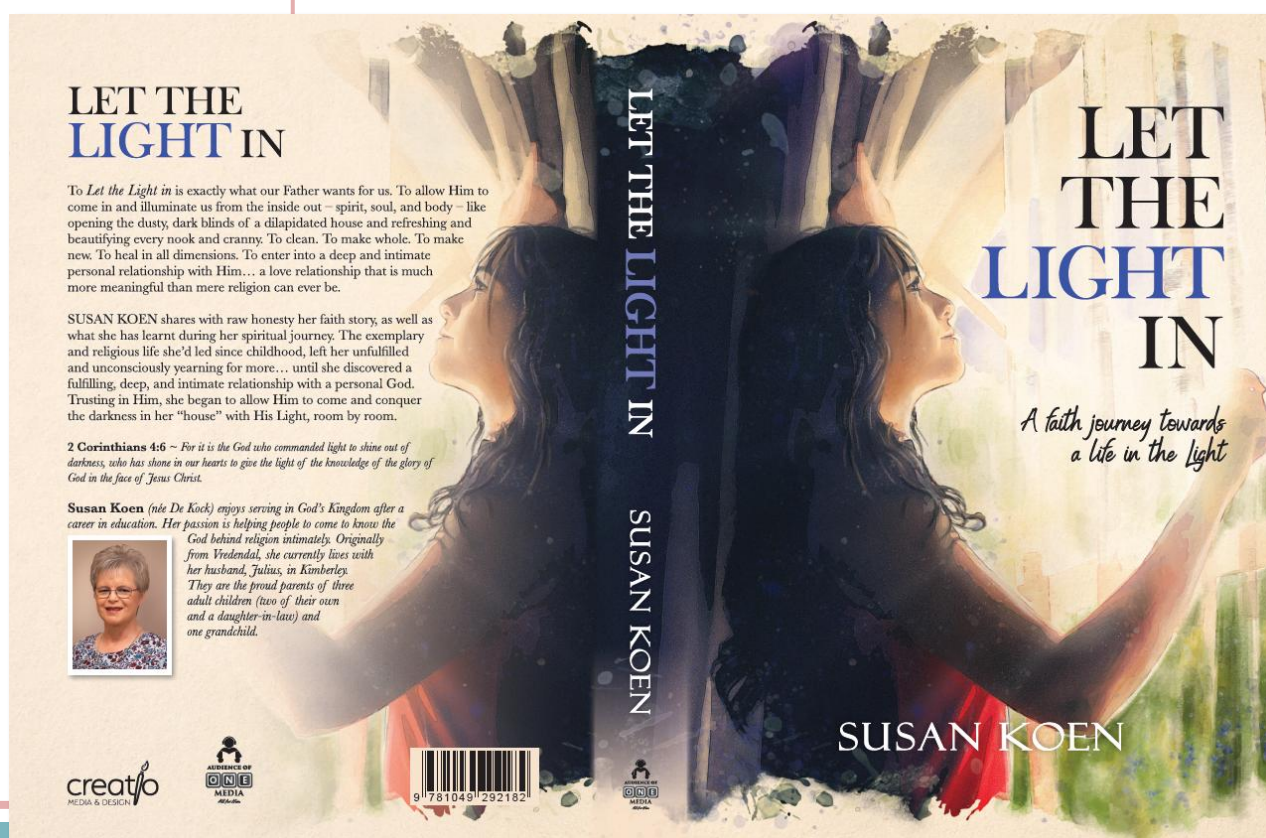

Susan Koen

Also available in
Afrikaans

Susan Koen (née De Kock) enjoys serving in God's Kingdom after a career in education. Her passion is helping people to come to know the God behind religion intimately. Originally from Vredendal, she currently lives with her husband, Julius, in Kimberley. They are the proud parents of three adult children (two of their own, a daughter-in-law) and one grandchild.

To *Let the Light in* is exactly what our Father wants for us. To allow Him to come in and illuminate us from the inside out – spirit, soul and body – like opening the dusty, dark blinds of a dilapidated house and refreshing and beautifying every nook and cranny. To clean. To make whole. To make new. To heal in all dimensions. To enter into a deep and intimate personal relationship with Him... a love relationship that is much more meaningful than mere religion can ever be.

SUSAN KOEN shares with raw honesty her faith story, as well as what she has learnt during her spiritual journey. The exemplary and religious life she'd led since childhood, left her unfulfilled and unconsciously yearning for more... until she discovered a fulfilling, deep, and intimate relationship with a personal God. Trusting in Him, she began to allow Him to come and conquer the darkness in her "house" with His Light, room by room.

Yeshua in die Begin Genesis

Roelf Craig

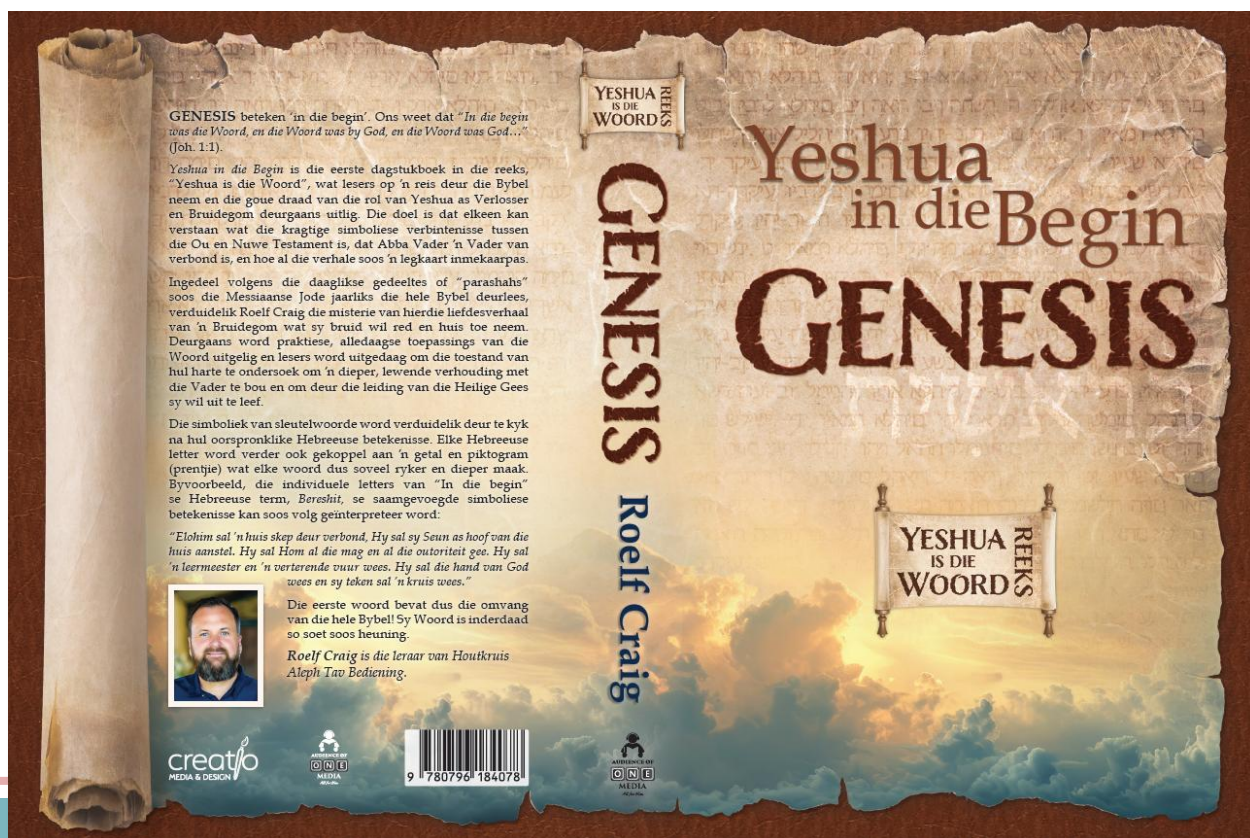

Eksodus

Roelf Craig

leraar van
Houtkruis
Aleph Tav
Bediening

Genesis beteken “in die begin”. Ons weet dat “IN die begin was die Woord, en die Woord was by God, en die Woord was God...” (Joh. 1:1).

Yeshua in die Begin is die eerste dagstukboek in die reeks, Yeshua is die Woord, wat lesers op 'n reis deur die Bybel neem en die goue draad van die rol van Yeshua as Verlosser en Bruidegom deurgaans uitlig. Die doel is dat elkeen kan verstaan wat die kragtige simboliese verbintenisse tussen die Ou en Nuwe Testament is, dat Abba Vader 'n Vader van verbond is, en hoe al die verhale soos 'n legkaart inmekaarpas.

Ingedeel volgens die daaglikse gedeeltes of “parashahs” soos die Messiaanse Jode jaarliks die hele Bybel deurlees, verduidelik Roelf Craig die misterie van hierdie liefdesverhaal van 'n Bruidegom wat sy bruid wil red en huis toe neem. Deurgaans word praktiese, alledaagse toepassings van die woord uitgelig en lesers word uitgedaag om die toestand van hul harte te ondersoek om 'n dieper, lewende verhouding met die Vader te bou en om deur die leiding van die Heilige Gees sy wil uit te leef.

Sionsbruid

Hezia Tsiyon

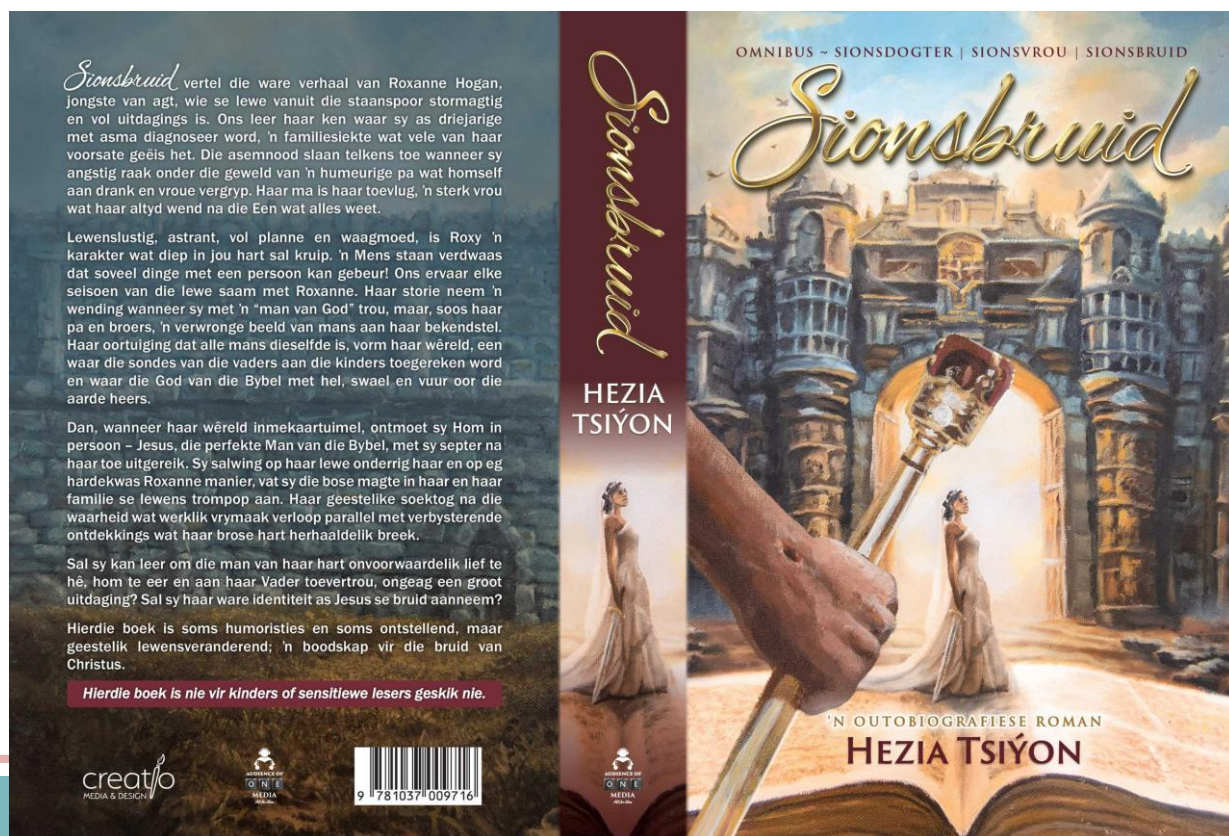

Sionsbruid vertel die ware verhaal (skuilname word gebruik) van Roxanne Hogan, jongste van agt, wie se lewe vanuit die staanspoor stormagtig en vol uitdagings is. Ons leer haar ken waar sy as driejarige met asma diagnoseer word, 'n familiesiekte wat vele van haar voorsate geëis het. Die asemnood slaan telkens toe wanneer sy angstig raak onder die geweld van 'n humeurige pa wat homself aan drank en vroue vergryp.

Lewenslustig, astrant, vol planne en waagmoed, is Roxy 'n karakter wat diep in jou hart sal kruip. 'n Mens staan verdwaas dat soveel dinge met een persoon kan gebeur! Ons ervaar elke seisoen van die lewe saam met Roxanne. Haar storie neem 'n wending wanneer sy met 'n "man van God" trou, maar, soos haar pa en broers, 'n verwronge beeld van mans aan haar bekendstel.

Dan, wanneer haar wêreld inmeekaartuimel, ontmoet sy Hom in persoon – Jesus, die perfekte Man van die Bybel, met sy septer na haar toe uitgereik. Sy salwing op haar lewe onderrig haar en op eg hardekwas Roxanne manier, vat sy die bouse magte in haar en haar familie se lewens trompop aan. Haar geestelike soektog na die waarheid wat werklik vrymaak verloop parallel met verbysterende ontdekkings wat haar brose hart herhaaldelik breek.

Sal sy kan leer om die man van haar hart onvoorwaardelik lief te hê, hom te eer en aan haar Vader toevertrou, ongeag een groot uitdaging?

Sal sy haar ware identiteit as Jesus se bruid aanneem? Hierdie boek is soms humoristies en soms ontstellend, maar geestelik lewensveranderend; 'n boodskap vir die bruid van Christus. *Hierdie boek is nie vir kinders of sensitiewe lesers geskik nie.*

Laat die Lig binne

'n Geloofsreis na 'n lewe in die Lig

Susan Koen

Ook in Engels
beskikbaar

Susan Koen (née De Kock) geniet dit om in God se Koninkryk diensbaar te wees ná 'n loopbaan in die onderwys. Haar passie is om mense te help om die God agter godsdiens intiem te leer ken. Sy is oorspronklik van Vredendal en woon tans saam met haar man, Julius, in Kimberley. Hulle is die trotse ouers van vier volwasse kinders (twee van hul eie en 'n skoonseun en -dogter) en 'n kleinkind.

Om die Lig binne te laat, is presies wat ons Vader se wil vir ons is. Om Hom toe te laat om in te kom en ons van binne na buite – gees, siel en liggaam – te kom verlig. Soos om stowwerige, donker blindings van 'n vervalde huis oop te trek en van hoek tot kant te verfris en verfraai. Om skoon te maak. Heel te maak. Nuut te maak. Gesond te maak in al die dimensies. Om 'n diep en innige persoonlike verhouding met Hom aan te knoop... 'n liefdesverhouding wat baie meer betekenisvol is as wat blote godsdiens ooit kan wees.

SUSAN KOEN deel met rou eerlikheid haar geloofsverhaal asook wat sy gedurende hierdie geestelike reis wys geword het. Haar voorbeeldige en godsdienstige lewe, reeds van jongs af, het haar onvervuld gelaat en haar onbewustelik na méér laat smag... totdat sy 'n vervullende, diep en intieme verhouding met 'n persoonlike God ontdek het. Só het sy begin om Hom toe te laat om kamer vir kamer die duisternis in haar "huis" met sy Lig te kom oorwin.

Hakskoën, Platskoën, Kaalvoet

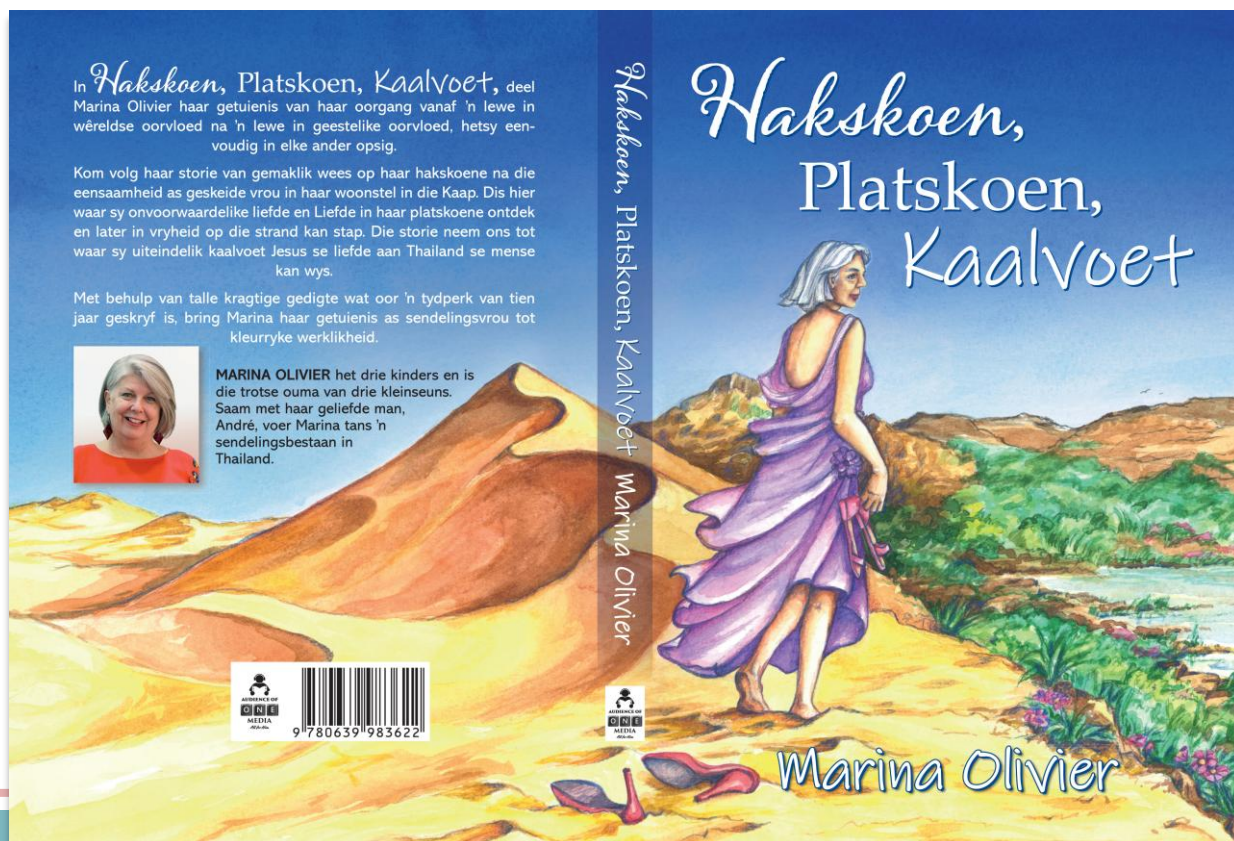

Marina Olivier

Marina Olivier het drie kinders en is die trotse ouma van drie kleinseuns. Saam met haar geliefde man, André, voer Marina tans 'n sendelingsbestaan in Thailand.

Hakskoën, Platskoën, Kaalvoet is 'n opwindende en verrassend romantiese outobiografie, deurdrenk met stories en gedigte wat oor tien jaar van Marina se lewensreis strek. Ons volg haar vanaf die tyd wat sy nooit sonder grimering en hoëhakskoene gevang sou word nie, tot waar sy gemaklik geraak het met haar sandale en nou baie lief is om bloot haar gryskop self en kaalvoet te wees waar sy as sendeling in Thailand dien. Ons ontmoet haar in 'n donker tyd waar sy haarself en God probeer vind na 'n moeilike egskeiding. Daarna is ons saam met haar opgewonde oor 'n nuwe lewe in Christus en 'n nuwe liefde wat blom. Uiteindelik is ons saam met haar dankbaar vir 'n nuwe roeping, 'n nuwe lewe in die verre vreemde met interessante uitdagings en 'n kykie in die alledaagse bestaan van 'n nasie wat God broodnodig het en die sendelinge wat hulle probeer bereik.

'n Inspirasie vir alle vroue wat dink dat hulle perfek moet wees in die oë van die wêreld, maar daarna streef om net gemaklik en geliefd te wees vir wie hulle is as hulle nie hul daaglikse maskers dra nie.

'n Getuigenis van tweede kanse wat nie vir God onmoontlik is nie.

Kaalvoetspore

Marina Olivier

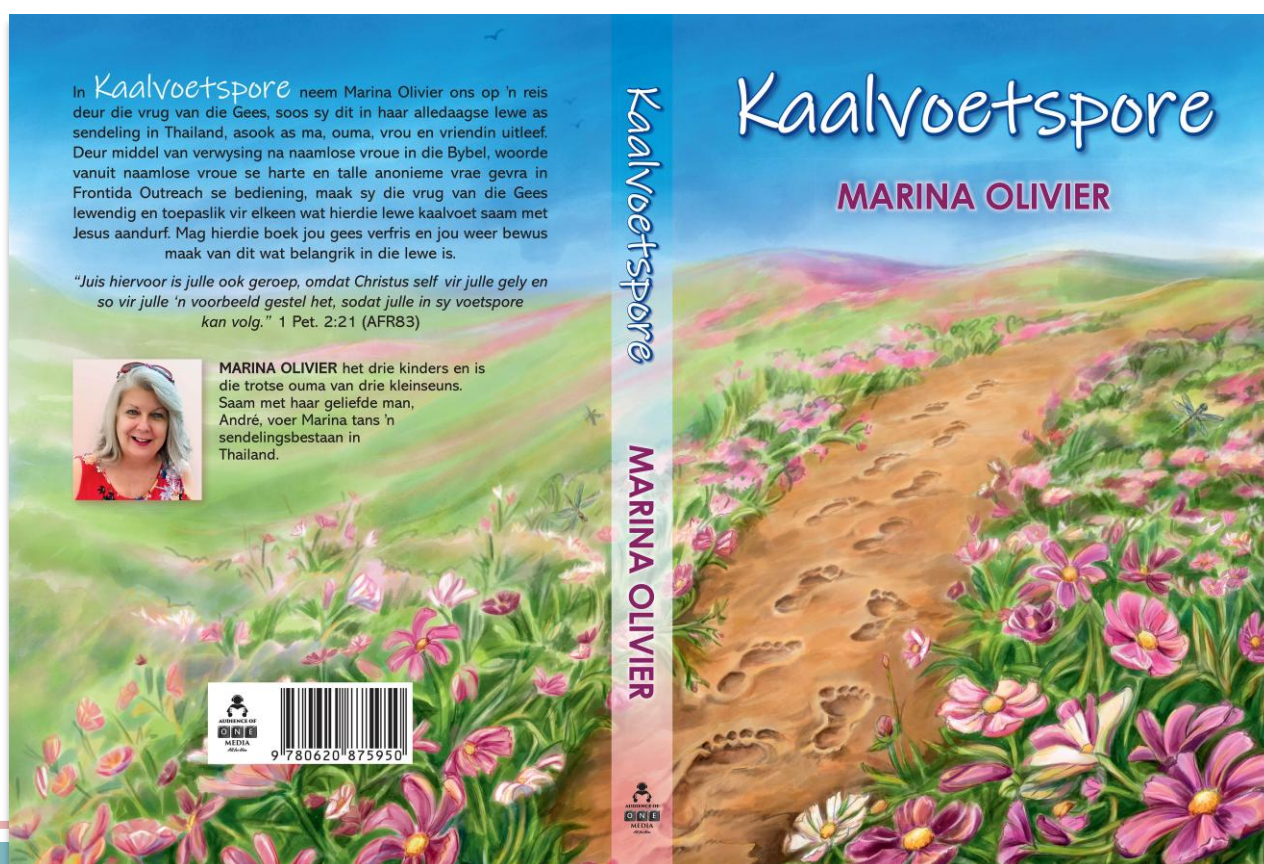

Marina Olivier het drie kinders en is die trotse ouma van drie kleinseuns. Saam met haar geliefde man, André, voer Marina tans 'n sendelingsbestaan in Thailand.

Kaalvoetspore, die tweede boek uit Marina Olivier se pen, is amper soos 'n opvolg op Hakskeen, Platskeen, Kaalvoet maar kan op sy eie gelees word.

In Kaalvoetspore neem Marina Olivier ons op 'n reis deur elke vrug van die Gees, soos wat sy dit in haar alledaagse lewe as sendeling in Thailand, asook as ma, ouma, vrou en vriendin uitleef.

Deur middel van verwysing na naamlose vroue in die Bybel, woorde vanuit naamlose vroue se harte en talle anonieme vrae gevra in haar bediening, Frontida Outreach, maak sy die vrug van die Gees lewendig en toepaslik vir elkeen wat hierdie lewe kaalvoet saam met Jesus aandurf. Hierdie boek is gevul met wysede, stories, gedigte, gedagtes, gebede, en nog vele meer.

"Juis hiervoor is julle ook geroep, omdat Christus self vir julle gely en so vir julle 'n voorbeeld gestel het, sodat julle in sy voetspore kan volg." ~ 1 Pet. 2:21 (AFR83)

Die Laaste Dag

Elaine Broekman

Elaine Broekman is gelukkig getroud met Walter. Hulle het twee pragtige dogters, en hulle woon tans in die Wes-Kaap. Elaine het haar roeping gevolg en is nou die eienaar van Audience of One Media, waar sy ander skrywers help om hul boeke te publiseer.

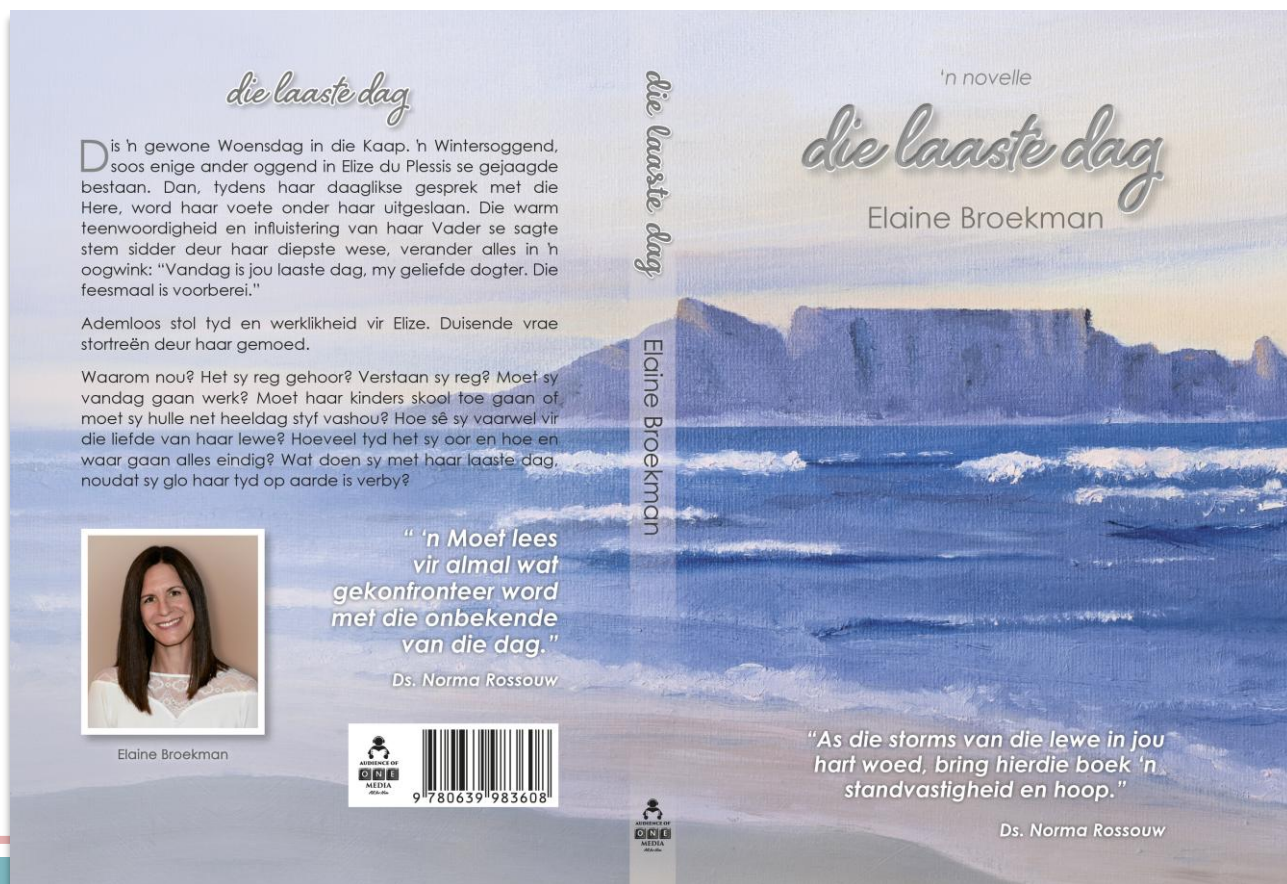

Wat sal jy doen as jy glo jou laaste dag het aangebreek?

Dis 'n gewone Woensdag in die Kaap. 'n Wintersoggend, soos enige ander oggend in Elize du Plessis se gejaagde bestaan. Dan, tydens haar daaglikse gesprek met die Here, word haar voete onder haar uitgeslaan. Die warm teenwoordigheid en influistering van haar Vader se sagte stem diep binne-in haar hart, verander alles in 'n oogwink: "Vandag is jou laaste dag, my geliefde dogter. Die feesmaal is voorberei."

Ademloos stol tyd en werklikheid vir Elize. Duisende vrae stortreën deur haar gemoed. Waarom nou? Het sy reg gehoor? Verstaan sy reg? Moet sy vandag gaan werk? Moet haar kinders skool toe gaan of moet sy hulle net heeldag styf vashou? Hoe sê sy vaarwel vir die liefde van haar lewe? Hoeveel tyd het sy oor en hoe en waar gaan alles eindig?

Wat doen sy met haar laaste dag, noudat sy glo haar tyd op aarde is verby?

Hierdie fiksieverhaal laat elke leser diep introspeksie doen oor hul eie lewens.

Net 'n komma, nie 'n punt nie Vol. 1

Saamgestel deur Elaine Broekman

Sewentien gewone mense het hulle stories in hierdie bundel met ons gedeel. Kyk die video wat elkeen voorstel, hier:

Elkeen het 'n storie. 'n Unieke verhaal wat vertel moet word. Dit is ons verantwoordelikheid om dit waarmee God ons seën, of die waarheid wat ons daaruit leer, met ander te deel om SY naam te verheerlik en ander te bemoedig.

Sommige van ons is egter nog in die middel van ons verhaal en kan nie sien hoe op aarde dit alles ten goede kan meewerk soos wat Romeine 8:28 belowe nie.

Hierdie 24 inspirasiestories is bedoel om lesers te help om die groter prentjie in hul eie lewensverhale te kan raaksien. En om God te vertrou dat, terwyl hulle nog asemhaal, dit nog nie verby is nie.

Dit is net 'n KOMMA, nie 'n PUNT nie.

Jesus kom leer vir Hanno en sy boetie, Leon, dat NIKS hulle van sy liefde kan skei nie – nie eens ongehoorsaamheid nie.

Dit is vir 'n aardse ouer seker dié moeilikste karaktertrek van God om deurlopend uit te leef. Hy leer hulle dat liefde nie 'n aan- en afsitknoppie soos 'n lig het nie, en dat daar 'n spesiale plek in elke mens se binnekant is waar jy Hom enige tyd kan ontmoet.

Verder leer Jesus vir Hanno hoe om ontslae te raak van 'n slegte gewoonte waaroor hy gereeld raas kry.

Laat ons kindertjies ook na Jesus kom deur Hom dáár te ontmoet waar Hy in sy heilige plek binne-in die kern van elke mens woon. Die plek waarna ons, by gebrek aan 'n beter term, verwys as 'n mens se 'hart'. Die middelpunt van wie jy is. Jou gees. Die plek waar daardie deel van God gesetel is wat Hy vir Homself uitgekies het.

Laat die kindertjies wat duimsuig ook na My toe kom

Poësieterapie

Gedigte vir die rouproses

Alwine Fölscher

Alwine is die mamma van twee (ouer) tienerdogters, Zoé en Kesia, en met die genade van die Here onlangs getroud met die tweede liefde van haar lewe.

Hierdie pragtige digbundel bevat 149 gedigte wat die digter een vir een deur haar rouproses gehelp het nadat sy haar geliefde man aan die dood afgestaan het. As mamma van twee jong tienerdogters was sy afhanklik van haar man en moes skielik die lewe as alleen-ouer aandurf. Sy vra vrae, sy rebelleer, sy koester herinneringe en sy treur, en tog kom haar skerp sin vir humor ook so nou en dan deur.

Die gedigte lees amper soos 'n verhaal en lig sekere gebeure in die proses uit, van die eerste spinnekop wat die drie vroulike lede van die huisgesin self moes verjaag en motorprobleme, tot die alleen sit in die kerk. Die deurbraak kom egter wanneer sy weer haar Pappa God se hart vir haar ontdek.

In ***Julle het dit aan My ook gedoen***, maak die twee boeties, Hennie en Len, by die skool kennis met Simon, wat 'n diabeet is. Omdat hulle weet dat 'n mens 'n gawe maatjie moet wêes as jy 'n gawe maatjie wil hê, besluit hulle om vir 'n hele week lank alle lekkernye uit te sny sodat hulle kan voel hoe dit voel om in 'n diabeet se skoene te staan.

Sonder dat hulle dit weet, word hulle die dubbele antwoord op Simon se gebede.

In ***Die warmhartige Samaritaan*** is Hennie die ooggetuie wanneer 'n tannie in die straat val en haar inkopies die pad vol rol sonder dat iemand haar help. Wanneer Pappa vir hulle die storie van die barmhartige Samaritaan lees, besef Hennie dat hy hom net soos die priester en die Leviet gedra het. Hy leer só wat dit eintlik beteken om jou naaste lief te hê soos jouself en besef wat hy graag sou wou gehad het as hy in die tannie se skoene gestaan het.

Boesmanland se Dogter

Die lewensverhaal van Engela Nortjé

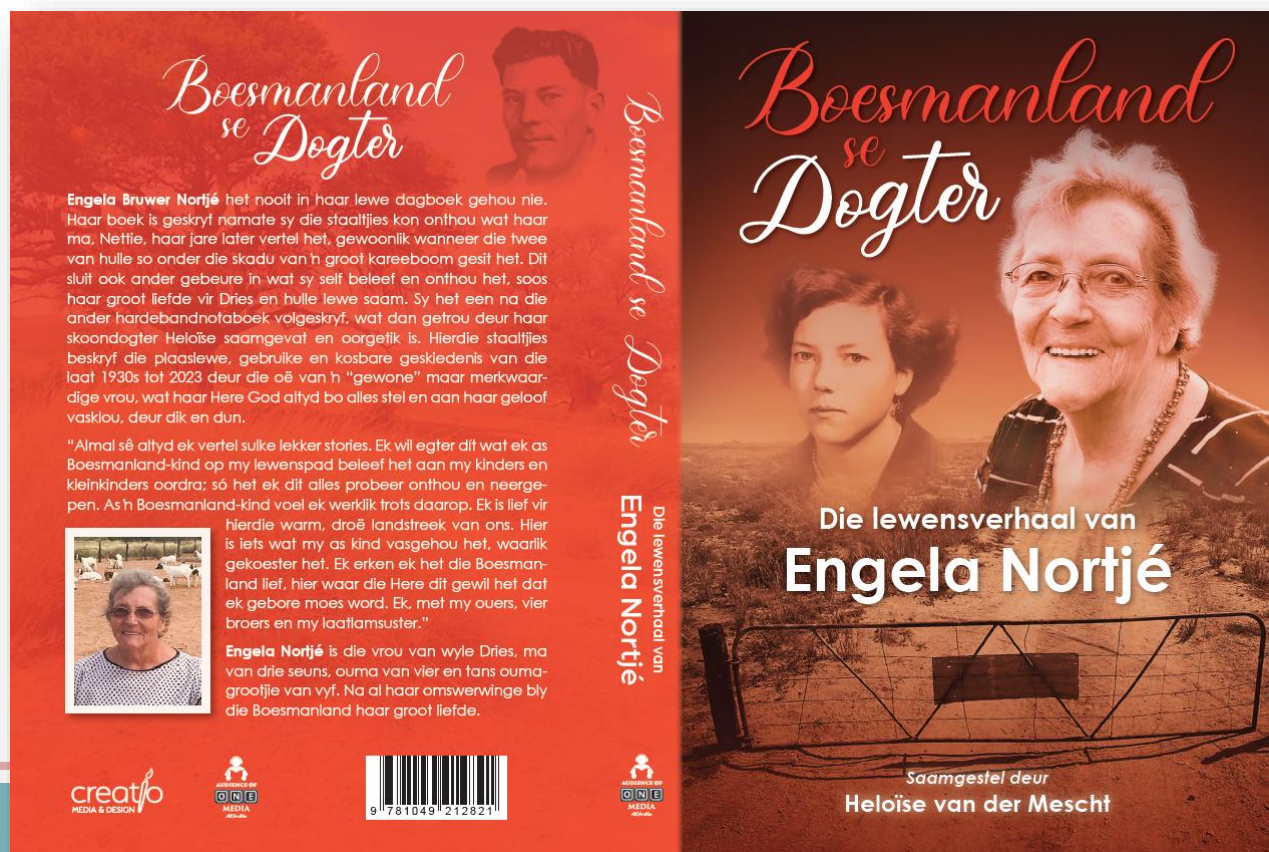

Nuwe
vystelling!

Heloïse van der Mescht

Engela Nortjé is
die vrou van
wyle Dries, ma
van drie seuns,
ouma van vier
en tans
oumagrootjie
van vyf. Na al
haar
omswerwinge
bly die
Boesmanland
haar groot
liefde.

Engela Bruwer Nortjé het nooit in haar lewe dagboek gehou nie. Haar boek is geskryf namate sy die staaltjies kon onthou wat haar ma, Nettie, haar jare later vertel het, gewoonlik wanneer die twee van hulle so onder die skadu van 'n groot kareeboom gesit het. Dit sluit ook ander gebeure in wat sy self beleef en onthou het, soos haar groot liefde vir Dries en hulle lewe saam. Sy het een na die ander hardebandnotaboek volgeskryf, wat dan getrou deur haar skoondogter Heloïse saamgevat en oorgetik is. Hierdie staaltjies beskryf die plaaslewe, gebruike en kosbare geskiedenis van die laat 1930s tot 2023 deur die oë van 'n "gewone" maar merkwaardige vrou, wat haar Here God altyd bo alles stel en aan haar geloof vasklou, deur dik en dun.

"Almal sê altyd ek vertel sulke lekker stories. Ek wil egter dít wat ek as Boesmanland-kind op my lewenspad beleef het aan my kinders en kleinkinders oordra; só het ek dit alles probeer onthou en neergepen. As 'n Boesmanland-kind voel ek werklik trots daarop. Ek is lief vir hierdie warm, droë landstreek van ons. Hier is iets wat my as kind vasgehou het, waarlik gekoester het. Ek erken ek het die Boesmanland lief, hier waar die Here dit gewil het dat ek gebore moes word. Ek, met my ouers, vier broers en my laatlamsuster."

Môre Sal Die Son Weer Skyn

365 Dagstukkies van Hoop

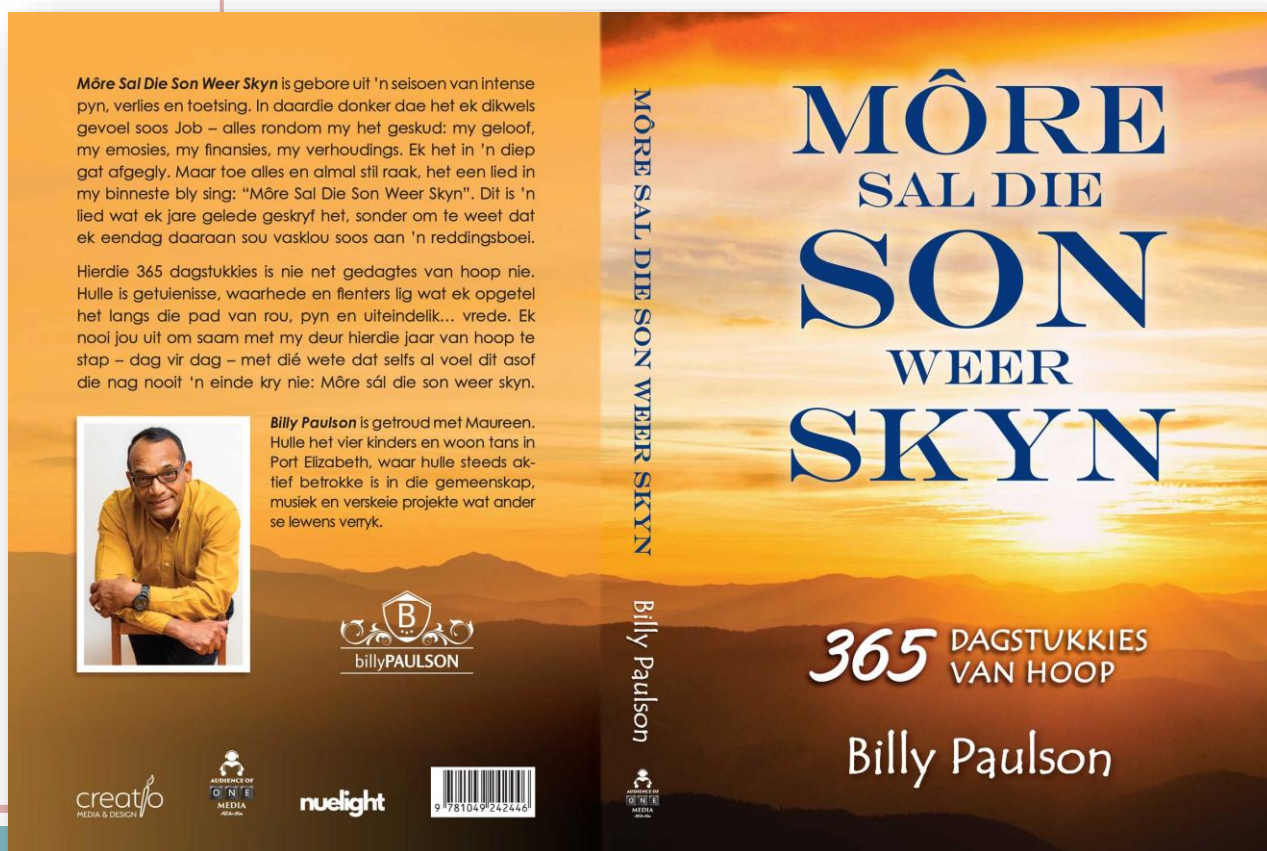

Nuwe
vrystelling!

Billy Paulson

Billy Paulson is getroud met Maureen. Hulle het vier kinders en woon tans in Gqeberha (Port Elizabeth), waar hulle steeds aktief betrokke is in die gemeenskap, musiek en verskeie projekte wat ander se lewens verryk.

Môre Sal Die Son Weer Skyn is gebore uit 'n seisoen van intense pyn, verlies en toetsing. In daardie donker dae het ek dikwels gevoel soos Job – alles rondom my het geskud: my geloof, my emosies, my finansies, my verhoudings. Ek het in 'n diep gat afgegely. Maar toe alles en almal stil raak, het een lied in my binneste bly sing: “Môre Sal Die Son Weer Skyn.” Dit is 'n lied wat ek jare gelede geskryf het, sonder om te weet dat ek eendag daaraan sou vasklou soos aan 'n reddingsboei.

Hierdie 365 dagstukkies is nie net gedagtes van hoop nie. Hulle is getuienisse, waarhede en flenters lig wat ek opgetel het langs die pad van rou, pyn en uiteindelik... vrede. Ek nooi jou uit om saam met my deur hierdie jaar van hoop te stap – dag vir dag – met dié wete dat selfs al voel dit asof die nag nooit 'n einde kry nie: Môre sál die son weer skyn.

Yeshua red ons uit Slawerny Eksodus

Roelf Craig

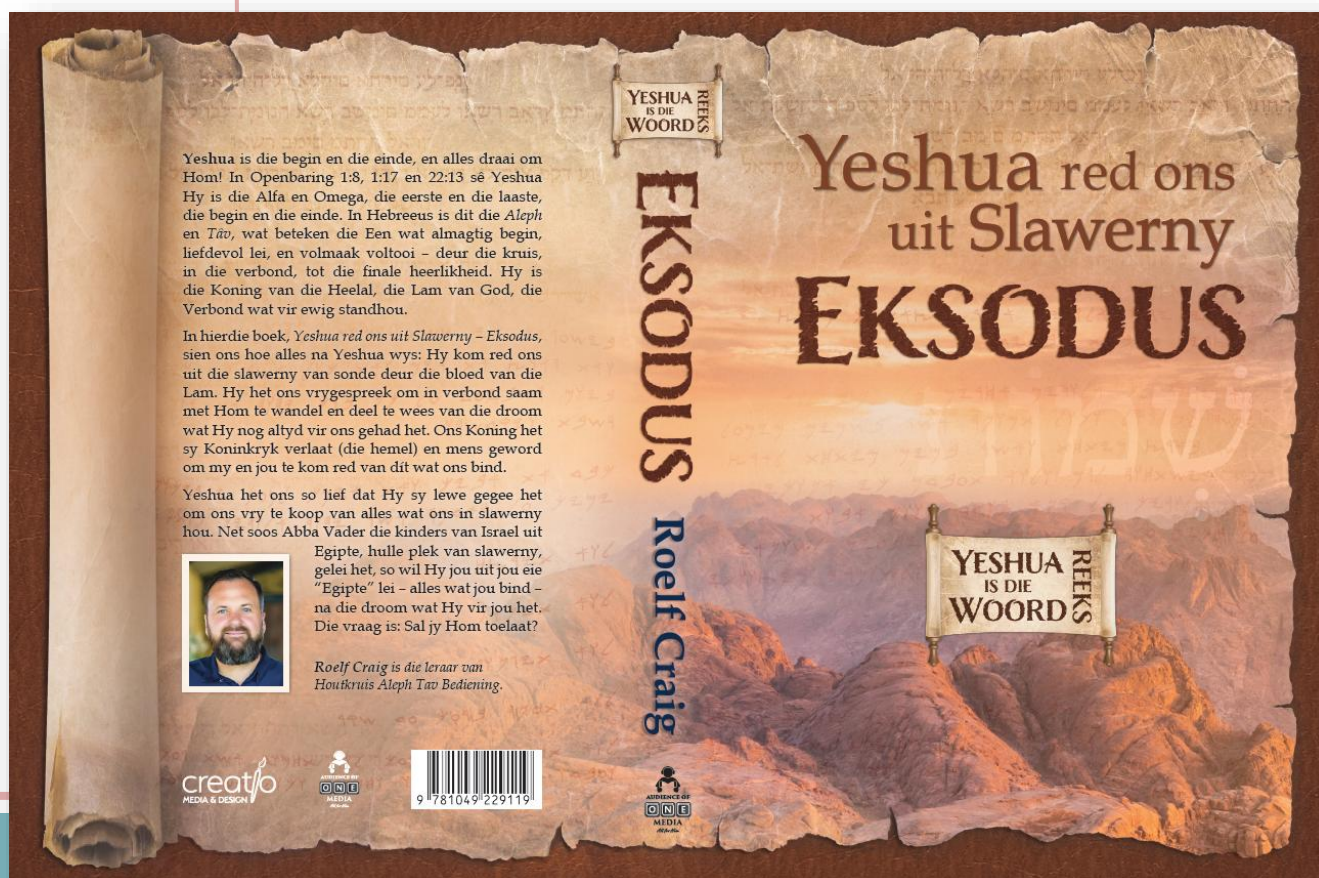

Nuwe
vrystelling!

Roelf Craig is die
leraar van
Houtkruis Aleph
Tav Bediening

Yeshua is die begin en die einde, en alles draai om Hom! In Openbaring 1:8, 1:17 en 22:13 sê Yeshua Hy is die Alfa en Omega, die eerste en die laaste, die begin en die einde. In Hebreeus is dit die Aleph en Tâv, wat beteken die Een wat almagtig begin, liefdevol lei, en volmaak voltooi – deur die kruis, in die verbond, tot die finale heerlikheid. Hy is die Koning van die Heelal, die Lam van God, die Verbond wat vir ewig standhou.

In hierdie boek, Yeshua red ons uit Slawerny – Eksodus, sien ons hoe alles na Yeshua wys: Hy kom red ons uit die slawerny van sonde deur die bloed van die Lam. Hy het ons vrygespreek om in verbond saam met Hom te wandel, en deel te wees van die droom wat Hy nog altyd vir ons gehad het. Ons Koning het sy Koninkryk verlaat (die hemel) en mens geword om my en jou te kom red van dít wat ons bind.

Yeshua het ons so lief dat Hy sy lewe gegee het om ons vry te koop van alles wat ons in slawerny hou. Net soos Abba Vader die kinders van Israel uit Egipte, hulle plek van slawerny, gelei het, so wil Hy jou uit jou eie “Egipte” lei – alles wat jou bind – na die droom wat Hy vir jou het. Die vraag is: Sal jy Hom toelaat?

Met Hoop Lei Ons

'n Ouerskapreis deur Psalm 23

Nuwe
vystelling!

Chantell van Zyl

Chantell van Zyl
woon in
Groblersdal saam
met haar man,
Kobus, en hul twee
kinders, Chanté en
Schalk. As mamma
en geloofsreisiger
deel sy graag
boodskappe van
hoop, genade en
geloof.

Ouerskap is een van die mooiste gawes wat God aan ons gee, maar dit is ook een van die grootste verantwoordelikhede.

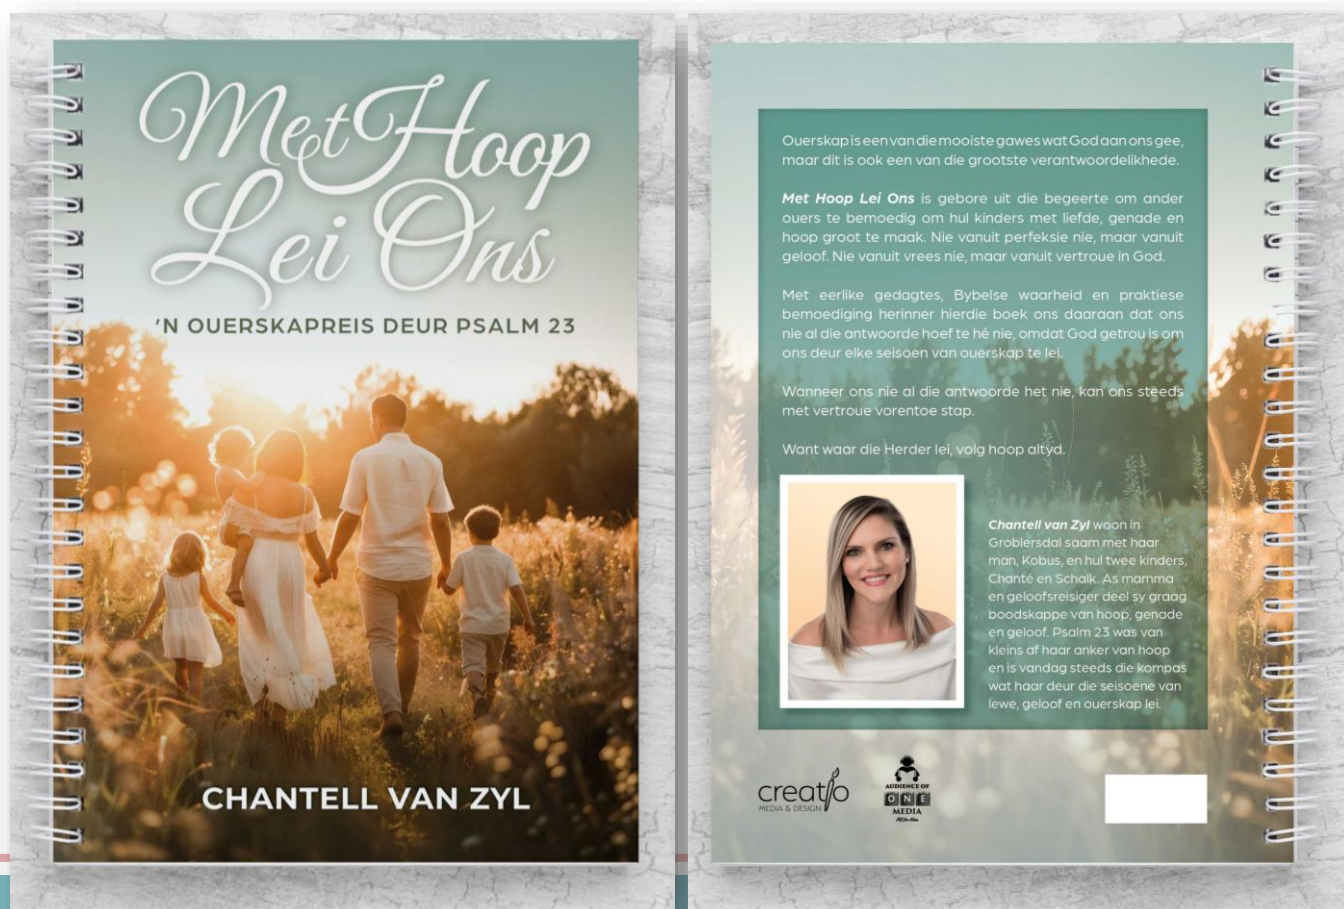

Met Hoop Lei Ons is gebore uit die begeerte om ander ouers te bemoedig om hul kinders met liefde, genade en hoop groot te maak. Nie vanuit perfeksie nie, maar vanuit geloof. Nie vanuit vrees nie, maar vanuit vertroue in God.

Met eerlike gedagtes, Bybelse waarheid en praktiese bemoediging herinner hierdie boek ons daaraan dat ons nie al die antwoorde hoef te hê nie, omdat God getrou is om ons deur elke seisoen van ouerskap te lei.

Wanneer ons nie al die antwoorde het nie, kan ons steeds met vertroue vorentoe stap.

Want waar die Herder lei, volg hoop altyd.

Hierdie 14-dagjoernaal sal ouers help om diep introspeksie te doen, hul diepste gedagtes neer te pen en weer hoop te vind. Dit sal hulle bemoedig op een van die belangrikste reise van enige persoon se lewe - die een van ouerskap.
