# Tell your story

A memoir of faith, hope, and love

*Ilze Viljoen*

*Ilze Viljoen is first and foremost a daughter of the King. She is happily married and has three wonderful children. They live in the lovely Cape Town, South Africa.*

Tell your story is a work of obedience. Eleven years ago, God started working in Ilze's heart to write down and share her remarkable journey of learning to have faith, hold on to hope, and finally to love without reservation despite having gone through terrible tragedies, trials, and tribulations. Now she can only testify of God's faithfulness where once her heart was securely locked and "protected" against trusting and loving others deeply. The nudging has never gone away, and now she has finally done it!

Enjoy reading this true and inspiring story with which many can relate, especially in South Africa. Ilze believes that everyone has a story that can help others in some way. We are not alone in our journey of life. It is her hope to inspire you to tell your story once you've finished reading hers.

# Laat die Lig binne

'n Geloofsreis na 'n lewe in die Lig

*Susan Koen*

**Susan Koen** (née De Kock) geniet dit om in God se Koninkryk diensbaar te wees ná 'n loopbaan in die onderwys. Haar passie is om mense te help om die God agter godsdienste intiem te leer ken. Sy is oorspronklik van Vredendal en woon tans saam met haar man, Julius, in Kimberley. Hulle is die trotse ouers van vier volwasse kinders (twee van hul eie en 'n skoonseun en -dogter) en 'n kleinkind.

Om die Lig binne te laat, is presies wat ons Vader se wil vir ons is. Om Hom toe te laat om in te kom en ons van binne na buite – gees, siel en liggaam – te kom verlig. Soos om stowwerige, donker blindings van 'n vervalde huis oop te trek en van hoek tot kant te verfris en verfraai. Om skoon te maak. Heel te maak. Nuut te maak. Gesond te maak in al die dimensies. Om 'n diep en innige persoonlike verhouding met Hom aan te knoop... 'n liefdesverhouding wat baie meer betekenisvol is as wat blote godsdienste ooit kan wees.

SUSAN KOEN deel met rou eerlikheid haar geloofsverhaal asook wat sy gedurende hierdie geestelike reis wys geword het. Haar voorbeeldige en godsdienstige lewe, reeds van jongs af, het haar onvervuld gelaat en haar onbewustelik na méér laat smag... totdat sy 'n vervullende, diep en intieme verhouding met 'n persoonlike God ontdek het. Só het sy begin om Hom toe te laat om kamer vir kamer die duisternis in haar "huis" met sy Lig te kom oorwin.

# Laat die kindertjies wat duimsuig ook na My toe kom

*Maryna Knoetze*

*Illustrasies: Olivia en Kathleen de Beer*

*Maryna Knoetze woon tans op 'n plaas, Moutonspuit, naby Noenieput en is getroud met Leon. Hulle het twee dogters en 'n seun, en drie kleinseuns wat in Duitsland woon. Maryna is 'n taalonderwyseres wat in Stellenbosch studeer het, en het 'n Honneursgraad in Bybelkunde.*

Jesus kom leer vir Hanno en sy boetie, Leon, dat NIKS hulle van sy liefde kan skei nie – nie eens ongehoorsaamheid nie.

Dit is vir 'n aardse ouer seker dié moeilikste karaktertrek van God om deurlopend uit te leef. Hy leer hulle dat liefde nie 'n aan- en afsitknoppie soos 'n lig het nie, en dat daar 'n spesiale plek in elke mens se binnekant is waar jy Hom enige tyd kan ontmoet.

Verder leer Jesus vir Hanno hoe om ontslae te raak van 'n slegte gewoonte waaroor hy gereeld raas kry.

Laat ons kindertjies ook na Jesus kom deur Hom dáár te ontmoet waar Hy in sy heilige plek binne-in die kern van elke mens woon. Die plek waarna ons, by gebrek aan 'n beter term, verwys as 'n mens se 'hart'. Die middelpunt van wie jy is. Jou gees. Die plek waar daardie deel van God gesetel is wat Hy vir Homself uitgekies het.

# My Life Song

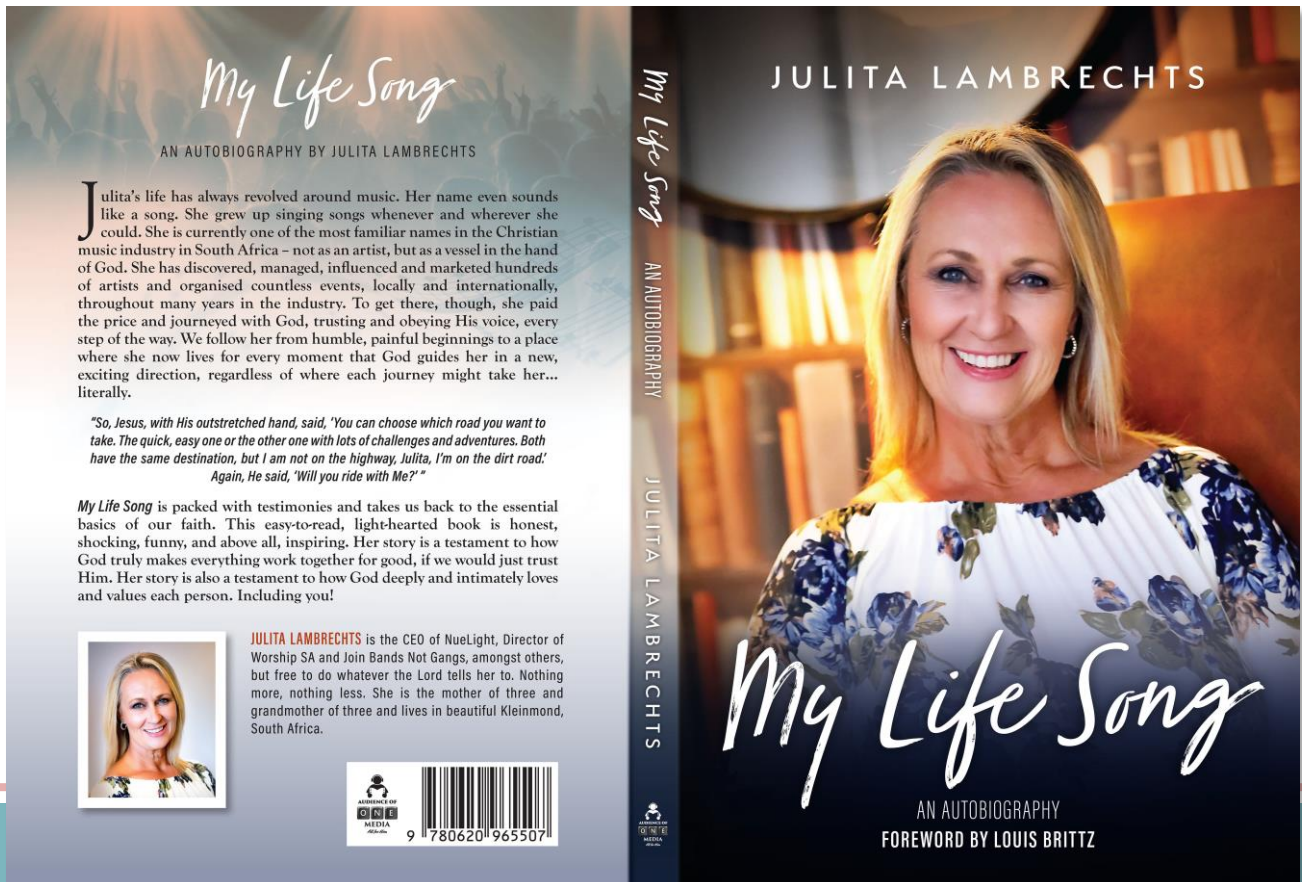

An Autobiography

*Julita Lambrechts*

*Julita Lambrechts is the CEO of NueLight, Director of Worship SA and Join Bands Not Gangs, amongst others, but free to do whatever the Lord tells her to. Nothing more, nothing less. She is the mother of three and grandmother of three and lives in beautiful Kleinmond, South Africa.*

Julita's life has always revolved around music. Her name even sounds like a song. She grew up singing songs whenever and wherever she could. She is currently one of the most familiar names in the Christian music industry in South Africa – not as an artist, but as a vessel in the hand of God. She has discovered, managed, influenced and marketed hundreds of artists and organised countless events, locally and internationally, throughout many years in the industry. To get there, though, she paid the price and journeyed with God, trusting and obeying His voice, every step of the way. We follow her from humble, painful beginnings to a place where she now lives for every moment that God guides her in a new, exciting direction, regardless of where each journey might take her... literally.

My Life Song is packed with testimonies and takes us back to the essential basics of our faith. This easy-to-read, light-hearted book is honest, shocking, funny, and above all, inspiring. Her story is a testament to how God truly makes everything work together for good, if we would just trust Him. Her story is also a testament to how God deeply and intimately loves and values each person. Including you!

# The Last Call

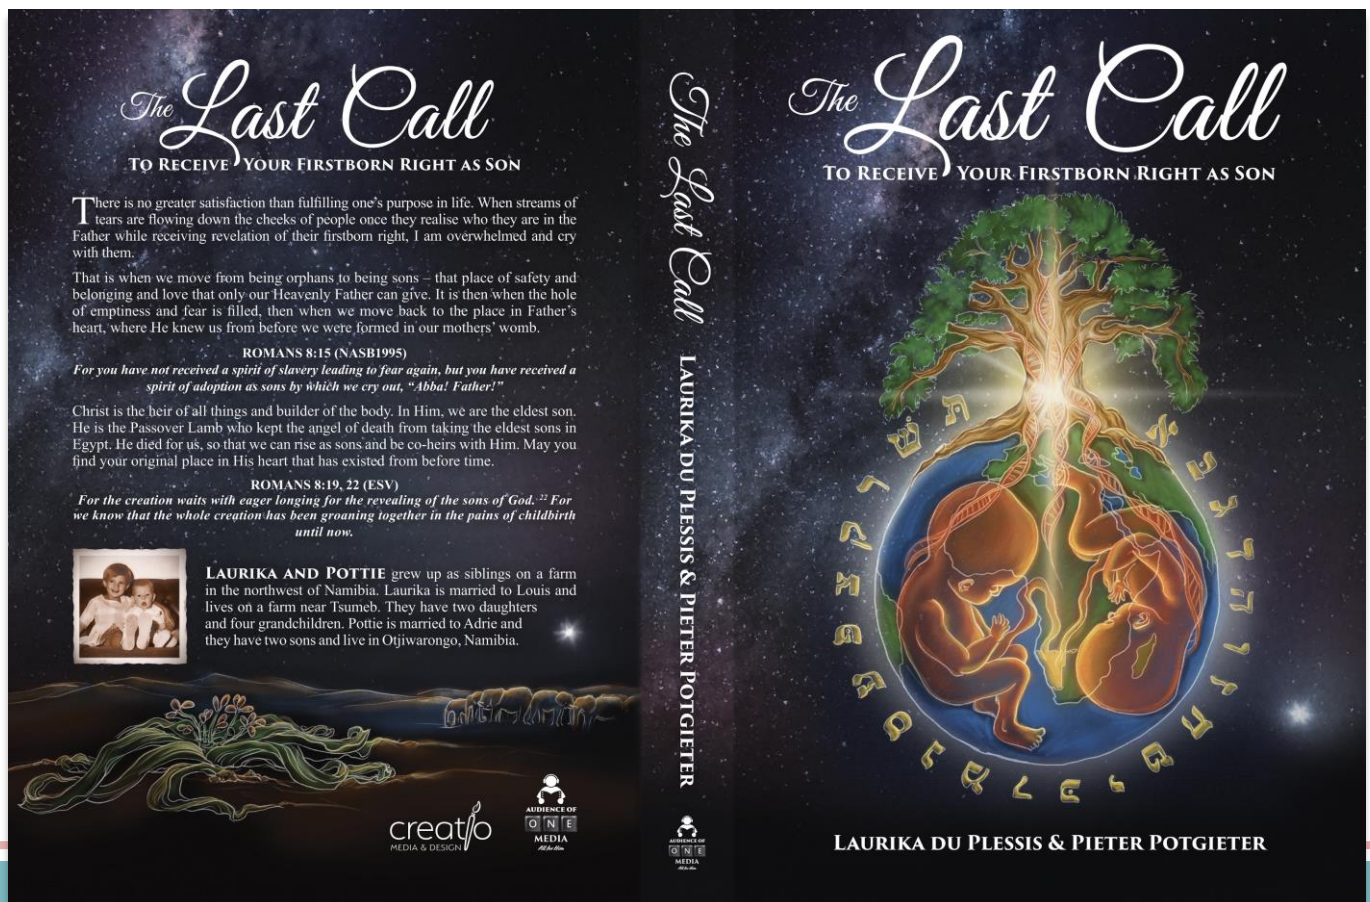

to receive your firstborn right as son

*Laurika du Plessis & Pieter Potgieter*

*Laurika and Pottie grew up as siblings on a farm in the northwest of Namibia. Laurika is married to Louis and lives on a farm near Tsumeb. They have two daughters and four grandchildren. Pottie is married to Adrie and they have two sons and live in Otjiwarongo, Namibia.*

There is no greater satisfaction than fulfilling one's purpose in life. When streams of tears are flowing down the cheeks of people once they realise who they are in the Father while receiving revelation of their firstborn right, I am overwhelmed and cry with them. That is when we move from being orphans to being sons – that place of safety and belonging and love that only our Heavenly Father can give. It is then when the hole of emptiness and fear is filled, then when we move back to the place in Father's heart, where He knew us from before we were formed in our mothers' womb.

Christ is the heir of all things and builder of the body. In Him, we are the eldest son. He is the Passover Lamb who kept the angel of death from taking the eldest sons in Egypt. He died for us, so that we can rise as sons and be co-heirs with Him. May you find your original place in His heart that has existed from before time.

# Being Elma

## Debugging the Asperger's Code

*Elma Ferreira*

This unusual, but highly informative book will open your eyes to the extraordinary life of Elma Ferreira—artist, music composer, singer, mentor, author and specialist computer programmer of 15 languages—as you join her on her journey to "become a person". Misunderstood for the first 56 years of her life, Elma finally discovered—with the help of her doctor, psychologist and a few amazing friends, or angels, as she refers to them—that she is also a person who matters and can connect with other people. Filled with fascinating stories, nuggets of wisdom and colourful, expressive paintings (which were made during the therapeutic process to try and explain her thoughts), this book is an inspiring read. It will bring a new appreciation, a deep insight and understanding of those who live on the autism spectrum, and those who love them.

From the Foreword written by her psychologist:

*Once in a lifetime one may find a true gem. And hardly ever is a gemstone or a treasure found without toiling through unyielding layers of earth. Upon finding a gemstone one may still have to crack it open, cut and polish it before its beauty is revealed. Gems need to be glistening in your mind's eye long before you start digging... Accompanying and directing Elma on her therapeutic journey confirmed my belief in the unique beauty of every person's character. This book tells the story of Elma's experience of her therapeutic progress over the better part of three years... Don't expect the ordinary*

**Elma Ferreira**  
lives in  
**Somerset West**  
and continue to  
teach art and  
music.

### Being Elma – Debugging the Asperger's Code

To the casual observer, Elma had it all.

Art and Spanish guitar teacher, software development manager and mentor, music composer, author, stage performer, life coach, and single mother of two sons. Yet, for most of her life she had to fight her own demons. Demons she did not understand herself. Demons that she could not explain to anyone else.

Elma was diagnosed with Asperger's Syndrome only at the age of 56. Until then, she had suffered being laughed at, made fun of, being an outcast and considered "weird", as she had always been unable to grasp the intricacies of communication, relationships and social conventions. Until that fateful morning after Black Monday when she realised that she needed her own special "Angel" more than ever.

This is the story of her journey and the struggle to become visible; to become, in her own words, a person. It is a gripping tale of overcoming the debilitating effect of Asperger's on her life and on the lives of those close to her. Not only is it a story of determination and ultimate victory, but also of hope for the many sufferers of Asperger's out there.

Beautifully written and illustrated with 20 original paintings by Elma, it is a true story that reads like a novel and it will grip you from the first to the last page.

# Hakskoen, Platskoen, Kaalvoet

*Marina Olivier*

*Marina Olivier het drie kinders en is die trotse ouma van drie kleinseuns. Saam met haar geliefde man, André, voer Marina tans 'n sendelingsbestaan in Thailand.*

Hakskoen, Platskoen, Kaalvoet is 'n opwindende en verrassend romantiese outobiografie, deurdrenk met stories en gedigte wat oor tien jaar van Marina se lewensreis strek. Ons volg haar vanaf die tyd wat sy nooit sonder grimering en hoëhakskoene gevang sou word nie, tot waar sy gemaklik geraak het met haar sandale en nou baie lief is om bloot haar gryskop self en kaalvoet te wees waar sy as sendeling in Thailand dien. Ons ontmoet haar in 'n donker tyd waar sy haarself en God probeer vind na 'n moeilike egskeiding. Daarna is ons saam met haar opgewonde oor 'n nuwe lewe in Christus en 'n nuwe liefde wat blom. Uiteindelik is ons saam met haar dankbaar vir 'n nuwe roeping, 'n nuwe lewe in die verre vreemde met interessante uitdagings en 'n kykie in die alledaagse bestaan van 'n nasie wat God broodnodig het en die sendelinge wat hulle probeer bereik.

'n Inspirasie vir alle vroue wat dink dat hulle perfek moet wees in die oë van die wêreld, maar daarna streef om net gemaklik en geliefd te wees vir wie hulle is as hulle nie hul daaglikse maskers dra nie. 'n Getuigenis van tweede kanse wat nie vir God onmoontlik is nie.

in Thailand.

Stilettoes, Sandals, Barefoot is an exciting (and surprisingly romantic) poem-infused autobiography spanning ten years of Marina's life-journey.

We follow her from the time she would never be caught without makeup and stilettos, to where she became comfy with her sandals and now really loves being herself and barefoot while serving in Thailand as a missionary. We meet her in a dark time, trying to find herself and God after a difficult divorce. After that, we are excited with her about a new life in Christ, and a new love that blossoms. Finally, we are grateful with her for a new vocation, a new life in a distant, foreign country filled with interesting challenges and a glimpse into the everyday existence of a nation that desperately needs God and the missionaries who are trying to reach them.

An inspiration to all women who think they need to be perfect in the eyes of the world, but long to just let go and be loved for who they are when they don't have their daily masks plastered on. A true testimony of second chances that aren't impossible for God to give each person..

Kaalvoetspore, die tweede boek uit Marina Olivier se pen, is amper soos 'n opvolg op Hakskoen, Platskoen, Kaalvoet maar kan op sy eie gelees word.

In Kaalvoetspore neem Marina Olivier ons op 'n reis deur elke vrug van die Gees, soos wat sy dit in haar alledaagse lewe as sendeling in Thailand, asook as ma, ouma, vrou en vriendin uitleef.

Deur middel van verwysing na naamlose vroue in die Bybel, woorde vanuit naamlose vroue se harte en talle anonieme vrae gevra in haar bediening, Frontida Outreach, maak sy die vrug van die Gees lewendig en toepaslik vir elkeen wat hierdie lewe kaalvoet saam met Jesus aandurf. Hierdie boek is gevul met wyskede, stories, gedigte, gedagtes, gebede, en nog vele meer.

*"Juis hiervoor is julle ook geroep, omdat Christus self vir julle gely en so vir julle 'n voorbeeld gestel het, sodat julle in sy voetspore kan volg."*

# Divine Design of Mankind

*Gerrit Nel*

*Gerrit Nel (1959-2018) left behind a wonderful legacy as well as his wife and ministry partner, Martie Nel and their children.*

*More titles coming soon:*

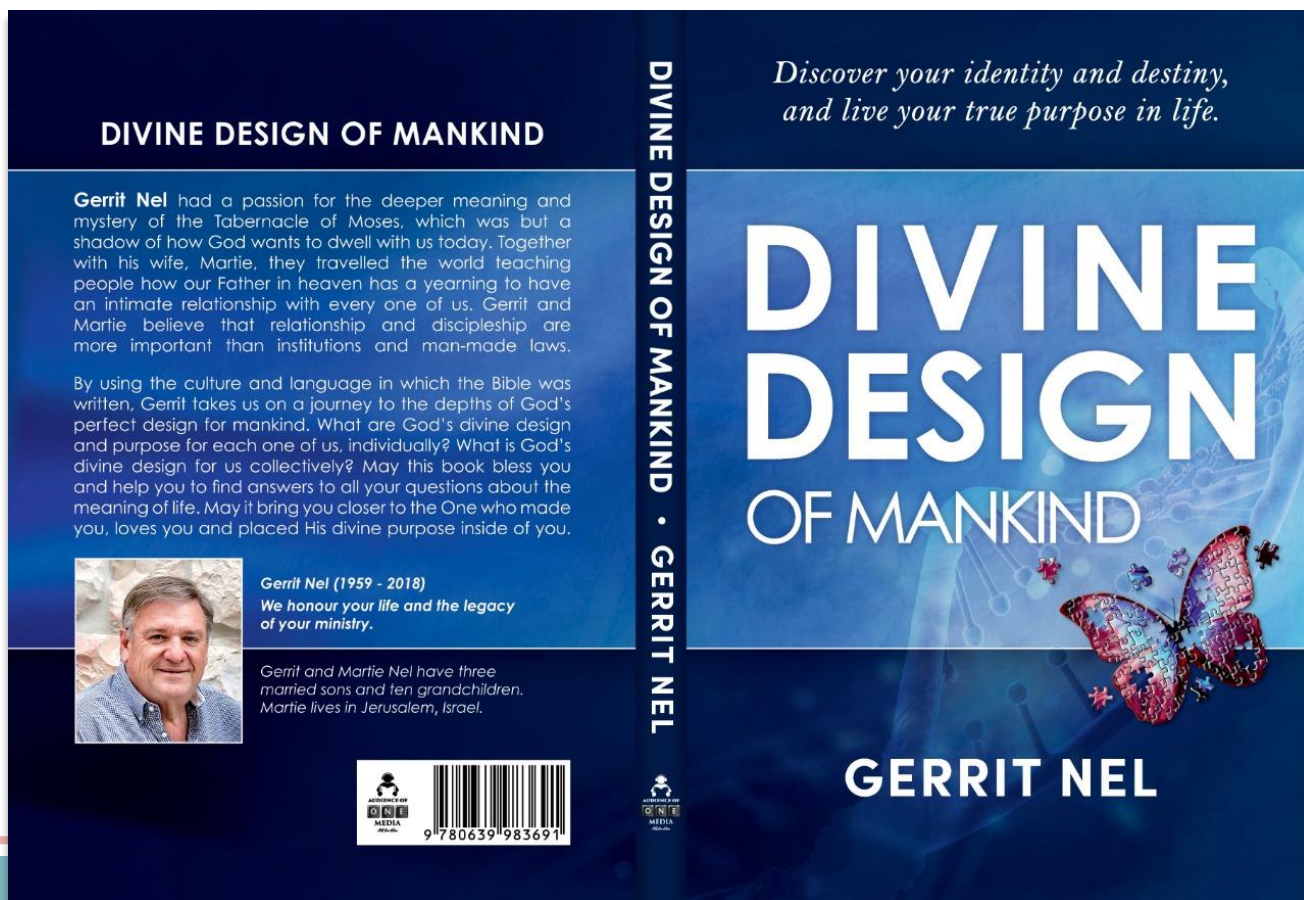

- *Baptism of the believer*
- *The Tabernacle*
- *Mystery of the anointing oil*

By using the culture and language in which the Bible was written, the late Gerrit Nel takes us on a journey to the depths of God's perfect design for mankind. What is God's divine design and purpose for each one of us, individually? What is God's divine design for us collectively, as believers in the Messiah to come and for mankind in general?

In the chapter, "The Blueprint", Gerrit wisely said, "We are called to have influence in the lives of others and to leave a legacy for the next generation."

Later, he said, "So often we are busy building monuments for ourselves instead of leaving a legacy. Every one of us is responsible to fill that specific gap with the jigsaw puzzle piece entrusted to us."

May this book bless each reader and help them find answers to all their questions about the meaning of life. May it bring them closer to the One who made them, loves them and placed His divine purpose inside of them.

# Die Laaste Dag

*Elaine Broekman*

*Elaine Broekman is gelukkig getroud met Walter. Hulle het twee pragtige dogters, en hulle woon tans in Vredeklouf in Brackenfell, Wes-Kaap. Elaine het haar skryfdroom gevolg en is die stigter van Audience of One Media.*

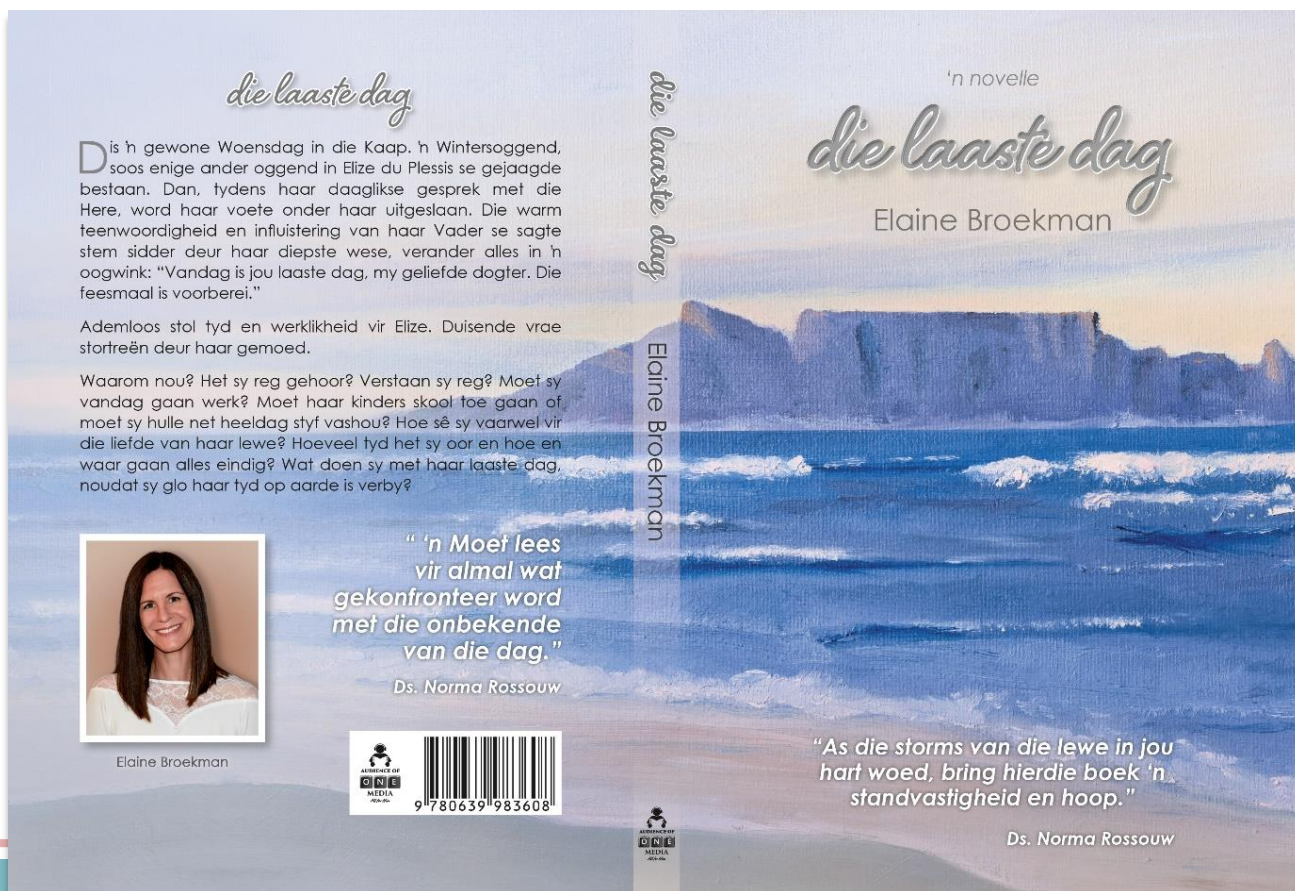

*Wat sal jy doen as jy glo jou laaste dag het aangebreek?*

Dis 'n gewone Woensdag in die Kaap. 'n Wintersoggend, soos enige ander oggend in Elize du Plessis se gejaagde bestaan. Dan, tydens haar daaglikse gesprek met die Here, word haar voete onder haar uitgeslaan. Die warm teenwoordigheid en influistering van haar Vader se sagte stem diep binne-in haar hart, verander alles in 'n oogwink: "Vandag is jou laaste dag, my geliefde dogter. Die feesmaal is voorberei."

Ademloos stol tyd en werklikheid vir Elize. Duisende vrae stortreën deur haar gemoed. Waarom nou? Het sy reg gehoor? Verstaan sy reg? Moet sy vandag gaan werk? Moet haar kinders skool toe gaan of moet sy hulle net heeldag styf vashou? Hoe sê sy vaarwel vir die liefde van haar lewe? Hoeveel tyd het sy oor en hoe en waar gaan alles eindig?

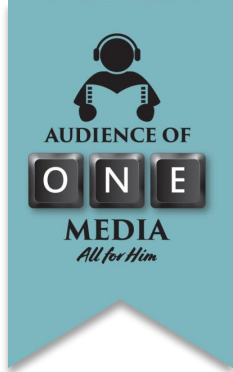

Wat doen sy met haar laaste dag, noudat sy glo haar tyd op aarde is verby?

Hierdie fiksieverhaal laat elke leser diep introspeksie doen oor hul eie lewens.

# Net 'n komma, nie 'n punt nie

*Saamgestel deur Elaine Broekman*

*Sewentien gewone mense het hulle stories in hierdie bundel met ons gedeel. Kyk die video wat elkeen voorstel, hier:*

Elkeen het 'n storie. 'n Unieke verhaal wat vertel moet word. Dit is ons verantwoordelikheid om dit waarmee God ons seën, of die waarheid wat ons daaruit leer, met ander te deel om SY naam te verheerlik en ander te bemoedig.

Sommige van ons is egter nog in die middel van ons verhaal en kan nie sien hoe op aarde dit alles ten goede kan meewerk soos wat Romeine 8:28 belowe nie.

Hierdie 24 inspirasiestories is bedoel om lesers te help om die groter prentjie in hul eie lewensverhale te kan raaksien. En om God te vertrou dat, terwyl hulle nog asemhaal, dit nog nie verby is nie.

Dit is net 'n KOMMA, nie 'n PUNT nie.
