THROUGH THE FIRE – BOOK ONE OF THE FIRE SERIES by Antoinette Kloppers

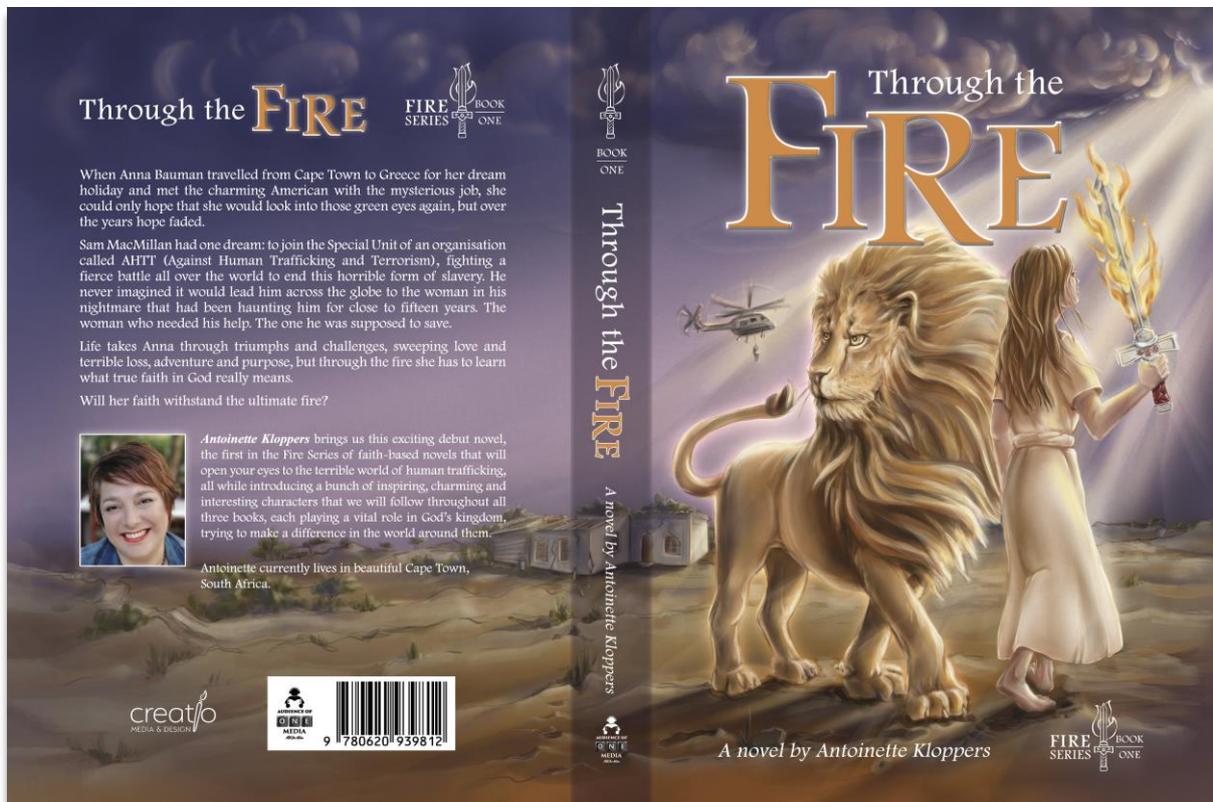

When Anna Bauman travelled from Cape Town to Greece for her dream holiday and met the charming American with the mysterious job, she could only hope that she would look into those green eyes again, but over the years hope faded.

Sam Macmillan had one dream: to join the Special Unit of an organisation called AHTT (Against Human Trafficking and Terrorism), fighting a fierce battle all over the world to end this horrible form of slavery. He never imagined it would lead him across the globe to the woman in his nightmare that had been haunting him for close to fifteen years. The woman who needed his help. The one he was supposed to save.

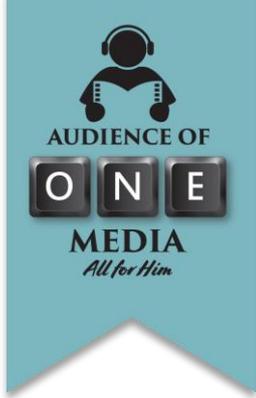

Life takes Anna through triumphs and challenges, sweeping love and terrible loss, adventure and purpose, but through the fire she has to learn what true faith in God really means.

Will her faith withstand the ultimate fire?

Antoinette Kloppers brings us this exciting debut novel, the first in the Fire Series of faith-based novels that will open your eyes to the terrible world of human trafficking, all while introducing a bunch of inspiring and interesting characters whom we will follow throughout this romantic, action-filled series that spans over decades, each playing a vital role in God's kingdom, trying to make a difference in the world around them. Antoinette currently lives in beautiful Cape Town, South Africa.

MY LIFE SONG – AN AUTOBIOGRAPHY by Julita Lambrechts

Julita’s life has always revolved around music. Her name even sounds like a song. She grew up singing songs whenever and wherever she could. She is currently one of the most familiar names in the Christian music industry in South Africa – not as an artist, but as a vessel in the hand of God. She has discovered, managed, influenced and marketed hundreds of artists and organised countless events, locally and internationally, throughout many years in the industry. To get there, though, she paid the price and journeyed with God, trusting and obeying His voice, every step of the way. We follow her from humble, painful beginnings to a place where she now lives for every moment that God guides her in a new, exciting direction, regardless of where each journey might take her... literally.

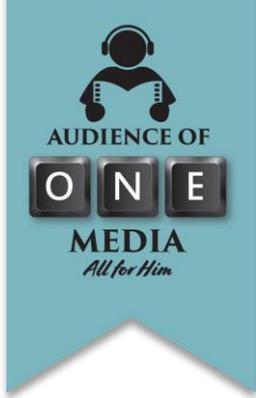

“So, Jesus, with His outstretched hand, said, ‘You can choose which road you want to take. The quick, easy one or the other one with lots of challenges and adventures. Both have the same destination, but I am not on the highway, Julita, I’m on the dirt road.’ Again, He said, ‘Will you ride with Me?’ ”

My Life Song is packed with testimonies and takes us back to the essential basics of our faith. This easy-to-read, light-hearted book is honest, shocking, funny, and above all, inspiring. Her story is a testament to how God truly makes everything work together for good, if we would just trust Him. Her story is also a testament to how God deeply and intimately loves and values each person. Including you!

Julita Lambrechts is the CEO of NueLight, Director of Worship SA and Join Bands Not Gangs, amongst others, but free to do whatever the Lord tells her to. Nothing more, nothing less. She is the mother of three and grandmother of three and lives in beautiful Kleinmond, South Africa.

THE LAST CALL – TO RECEIVE YOUR FIRSTBORN RIGHT AS SON by Laurika du Plessis & Pieter Potgieter

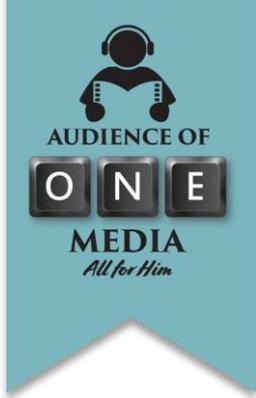

There is no greater satisfaction than fulfilling one's purpose in life. When streams of tears are flowing down the cheeks of people once they realise who they are in the Father while receiving revelation of their firstborn right, I am overwhelmed and cry with them. That is when we move from being orphans to being sons – that place of safety and belonging and love that only our Heavenly Father can give. It is then when the hole of emptiness and fear is filled, then when we move back to the place in Father's heart, where He knew us from before we were formed in our mothers' womb.

Christ is the heir of all things and builder of the body. In Him, we are the eldest son. He is the Passover Lamb who kept the angel of death from taking the eldest sons in Egypt. He died for us, so that we can rise as sons and be co-heirs with Him. May you find your original place in His heart that has existed from before time.

Laurika and Pottie grew up as siblings on a farm in the northwest of Namibia. Laurika is married to Louis and lives on a farm near Tsumeb. They have two daughters and four grandchildren. Pottie is married to Adrie and they have two sons and live in Otjiwarongo, Namibia.

BEING ELMA – DEBUGGING THE ASPERGER’S CODE by Elma Ferreira

This unusual, but highly informative book will open your eyes to the extraordinary life of Elma Ferreira—artist, music composer, singer, mentor, author and specialist computer programmer of 15 languages—as you join her on her journey to "become a person". Misunderstood for the first 56 years of her life, Elma finally discovered—with the help of her doctor, psychologist and a few amazing friends, or angels, as she refers to them—that she is also a person who matters and *can* connect with other people. Filled with fascinating stories, nuggets of wisdom and colourful, expressive paintings (which were made during the therapeutic process to try and explain her thoughts), this book is an inspiring read. It will bring a new appreciation, a deep insight and understanding of those who live on the autism spectrum, and those who love them.

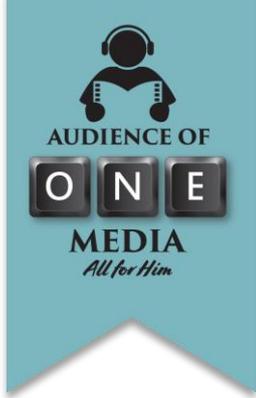

From the Foreword written by her psychologist:

Once in a lifetime one may find a true gem. And hardly ever is a gemstone or a treasure found without toiling through unyielding layers of earth. Upon finding a gemstone one may still have to crack it open, cut and polish it before its beauty is revealed. Gems need to be glistening in your mind's eye long before you start digging...

Accompanying and directing Elma on her therapeutic journey confirmed my belief in the unique beauty of every person's character. This book tells the story of Elma's experience of her therapeutic progress over the better part of three years... Don't expect the ordinary.

DIEPE WATERS – 'n AUTOBIOGRAFIE

deur **Pierre Fourie**

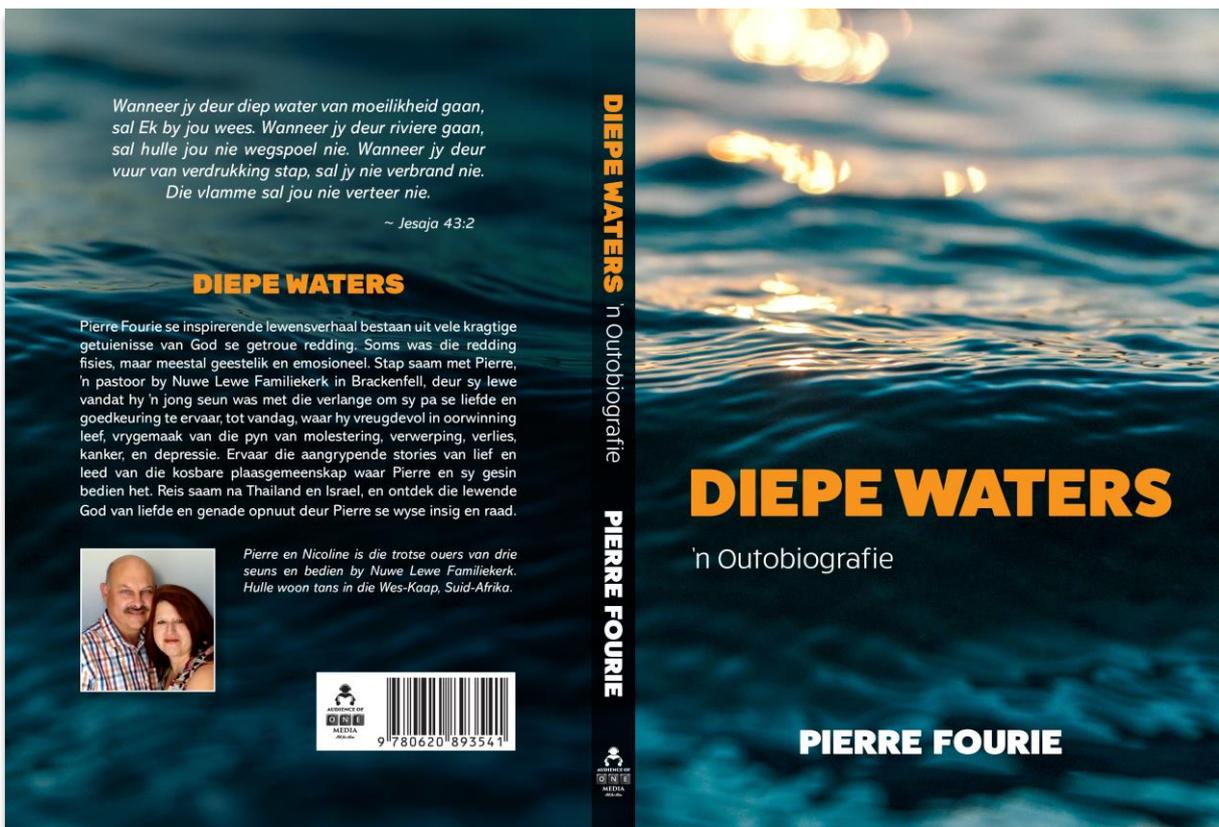

Pierre Fourie deel sy lewensverhaal in hierdie uiters bindende outobiografie. Eerlik en sonder om enige doekies om te draai vertel hy van al die hartseer, maar ook die vreugde wat hy deur die jare ervaar het. Ons leer hom ken as seuntjie en stap saam met hom deur talle gebeurtenisse, lief en leed tot vandag, waar hy saam met sy vrou, Nicoline, in oorwinning staan. Elke lewensgebeurtenis wat hy met lesers deel word afgesluit met waardevolle lewenslesse en raad vir oorwinning oor uitdagings in jou eie lewe.

Pierre bedien as 'n pastoor by Nuwe Lewe Familiekerk in Brackenfell.

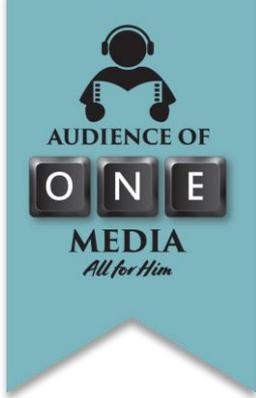

Kort uittreksels uit die Voorwoord en Slotwoord:

"Dwarsdeur die boek was ek intens bewus daarvan dat hierdie 'n reis deur die lewe van 'n gewone man is. Iemand soos enige ander persoon. Sy storie maak egter saak en dis nodig om gehoor te word. Jy sal dink: as Pierre dit alles kon deurmaak en wees wie hy vandag is en doen wat hy vandag doen, kan ek ook my verlede en uitdagings oorkom."

HAKSKOEN, PLATSKOEN, KAALVOET

deur Marina Olivier

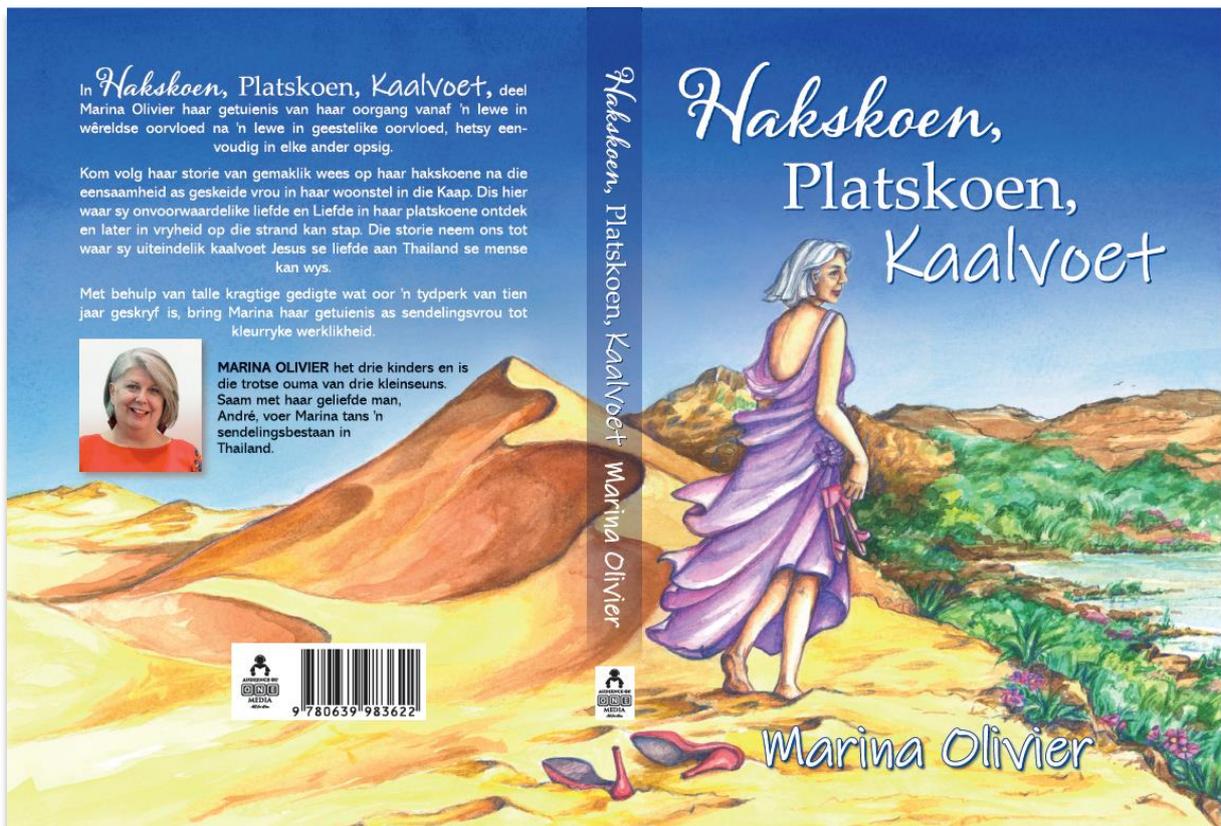

Hakskoën, Platskoën, Kaalvoët is 'n opwindende en verrassend romantiese outobiografie, deurdrenk met stories en gedigte wat oor tien jaar van Marina se lewensreis strek. Ons volg haar vanaf die tyd wat sy nooit sonder grimering en hoëhakskoene gevang sou word nie, tot waar sy gemaklik geraak het met haar sandale en nou baie lief is om bloot haar gryskop self

en kaalvoet te wees waar sy as sendeling in Thailand dien. Ons ontmoet haar in 'n donker tyd waar sy haarself en God probeer vind na 'n moeilike egskeiding. Daarna is ons saam met haar opgewonde oor 'n nuwe lewe in Christus en 'n nuwe liefde wat blom. Uiteindelik is ons saam met haar dankbaar vir 'n nuwe roeping, 'n nuwe lewe in die verre vreemde met interessante uitdagings en 'n kykie in die alledaagse bestaan van 'n nasie wat God broodnodig het en die sendelinge wat hulle probeer bereik.

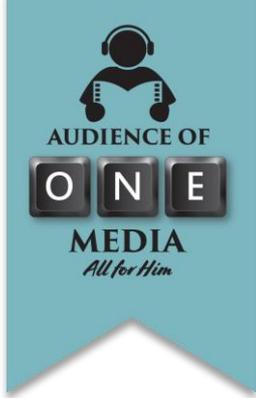

'n Inspirasie vir alle vroue wat dink dat hulle perfek moet wees in die oë van die wêreld, maar daarna streef om net gemaklik en geliefd te wees vir wie hulle is as hulle nie hul daaglikse maskers dra nie. 'n Getuigenis van tweede kans wat nie vir God onmoontlik is nie.

Marina Olivier het drie kinders en is die trotse ouma van drie kleinseuns. Saam met haar geliefde man, André, voer Marina tans 'n sendelingsbestaan in Thailand.

Hierdie boek is in beide Afrikaans en Engels beskikbaar.

STILETTOS, SANDALS, BAREFOOT

by Marina Olivier

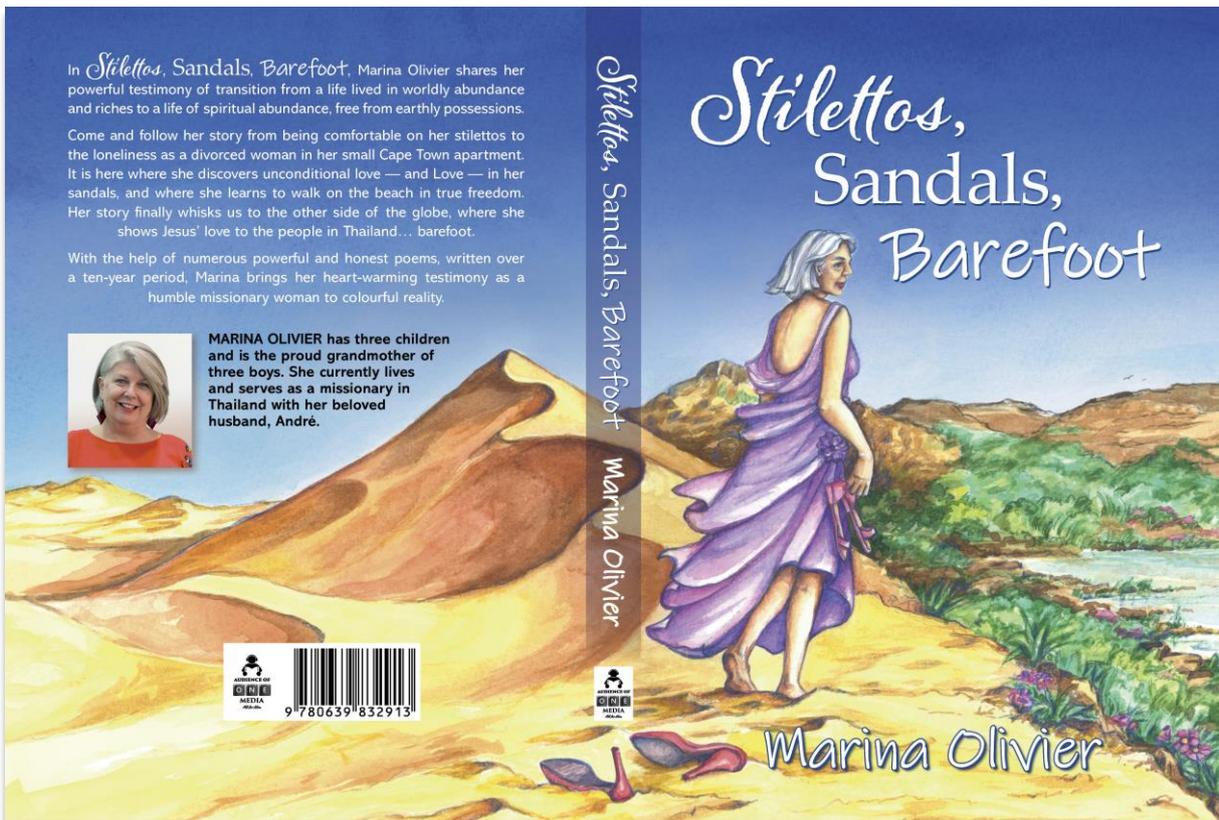

Stilettoes, Sandals, Barefoot is an exciting (and surprisingly romantic) poem-infused autobiography spanning ten years of Marina's life-journey.

We follow her from the time she would never be caught without makeup and stilettos, to where she became comfy with her sandals and now really loves being herself and barefoot while serving in Thailand as a missionary.

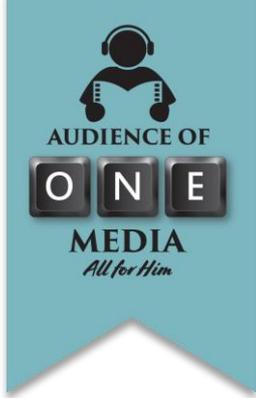

An inspiration to all women who think they need to be perfect in the eyes of the world, but long to just let go and be loved for who they are when they don't have their daily masks plastered on. A true testimony of second chances that aren't impossible for God to give each person.

This book is available in both Afrikaans and English.

Marina Olivier has three children and is the proud grandmother of three grandsons. Together with her beloved husband, André, Marina currently leads a missionary's life in Thailand.

KAALVOETSPORE

by Marina Olivier

Kaalvoetspore, die tweede boek uit Marina Olivier se pen, is amper soos 'n opvolg op *Hakskoën*, *Platskoën*, *Kaalvoet* maar kan op sy eie gelees word.

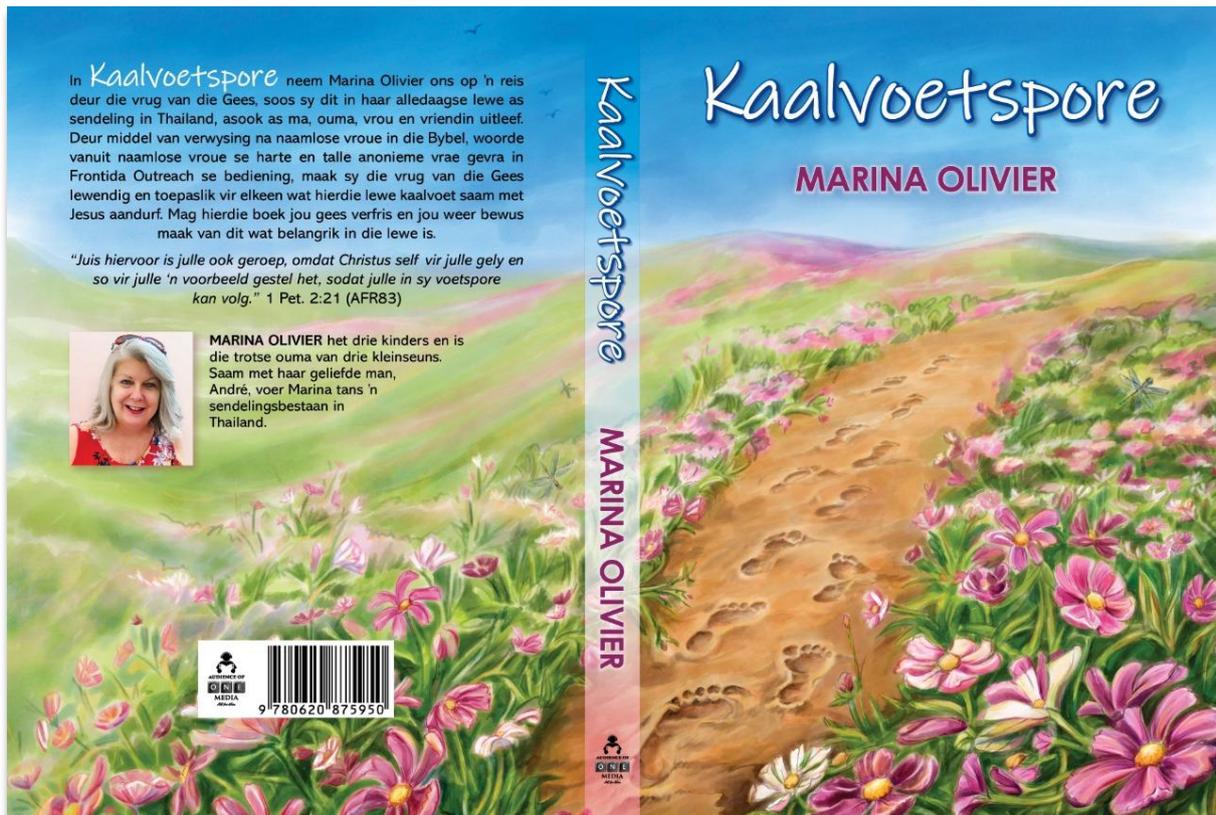

In *Kaalvoetspore* neem Marina Olivier ons op 'n reis deur elke vrug van die Gees, soos wat sy dit in haar alledaagse lewe as sendeling in Thailand, asook as ma, ouma, vrou en vriendin utiveef.

Deur middel van verwysing na naamlose vroue in die Bybel, woorde vanuit naamlose vroue se harte en talle anonieme vrae gevra in haar bediening, Frontida Outreach, maak sy die vrug van die Gees lewendig en toepaslik vir elkeen wat hierdie lewe kaalvoet saam met Jesus aandurf. Hierdie boek is gevul met wyskede, stories, gedigte, gedagtes, gebede, en nog vele meer.

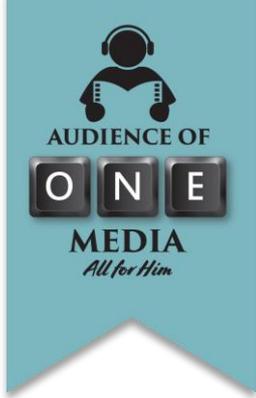

"Juis hiervoor is julle ook geroep, omdat Christus self vir julle gely en so vir julle 'n voorbeeld gestel het, sodat julle in sy voetspore kan volg."

~ 1 Pet. 2:21 (AFR83)

Marina Olivier het drie kinders en is die trotse ouma van drie kleinseuns. Saam met haar geliefde man, André, voer Marina tans 'n sendelingsbestaan in Thailand.

DIVINE DESIGN OF MANKIND

by **Gerrit Nel**

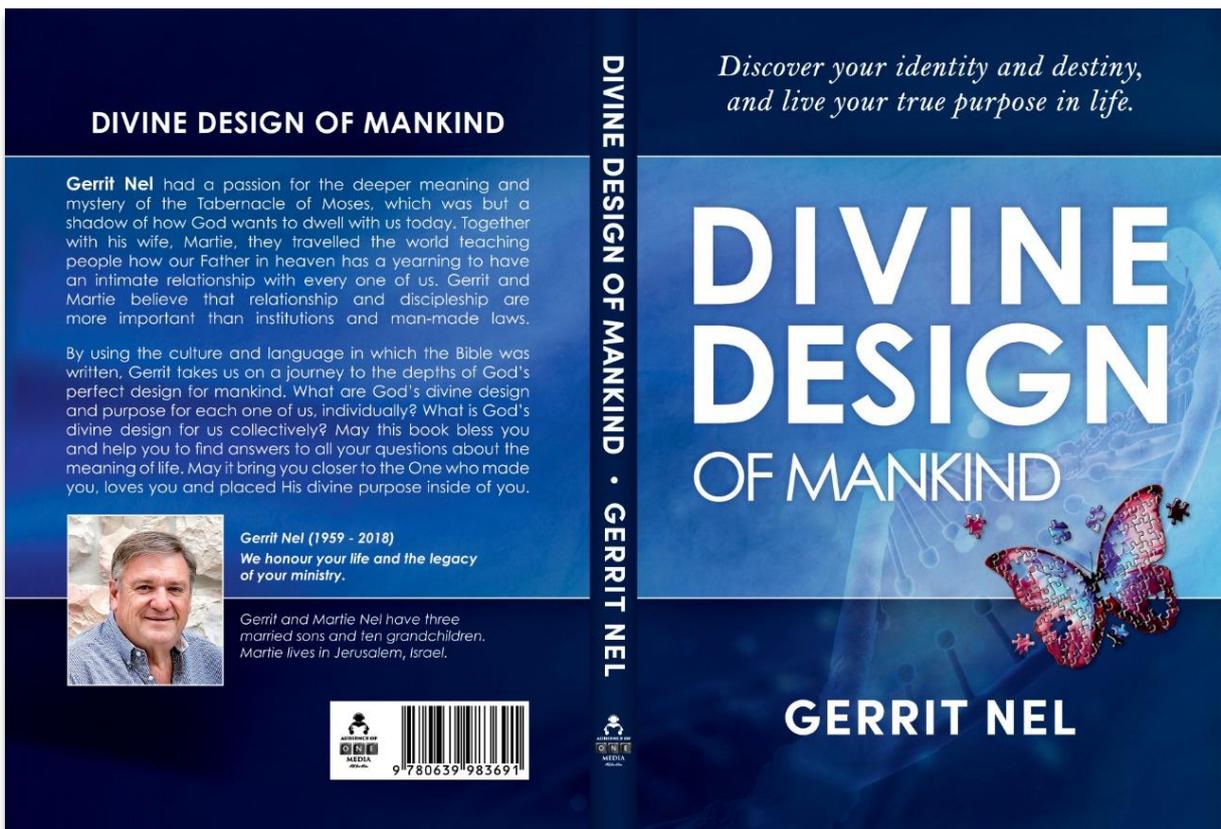

By using the culture and language in which the Bible was written, the late Gerrit Nel takes us on a journey to the depths of God's perfect design for mankind. What is God's divine design and purpose for each one of us, individually? What is God's divine design for us collectively, as believers in the Messiah to come and for mankind in general?

In the chapter, "The Blueprint", Gerrit wisely said, "We are called to have influence in the lives of others and to leave a legacy for the next generation."

Later, he said, "So often we are busy building monuments for ourselves instead of leaving a legacy. Every one of us is responsible to fill that specific gap with the jigsaw puzzle piece entrusted to us."

May this book bless each reader and help them find answers to all their questions about the meaning of life. May it bring them closer to the One who made them, loves them and placed His divine purpose inside of them.

Gerrit Nel (1959-2018) left behind a wonderful legacy as well as his wife and ministry partner, Martie Nel and their children.

DIE LAASTE DAG

deur Elaine Broekman

Wat sal jy doen as jy glo jou laaste dag het aangebreek?

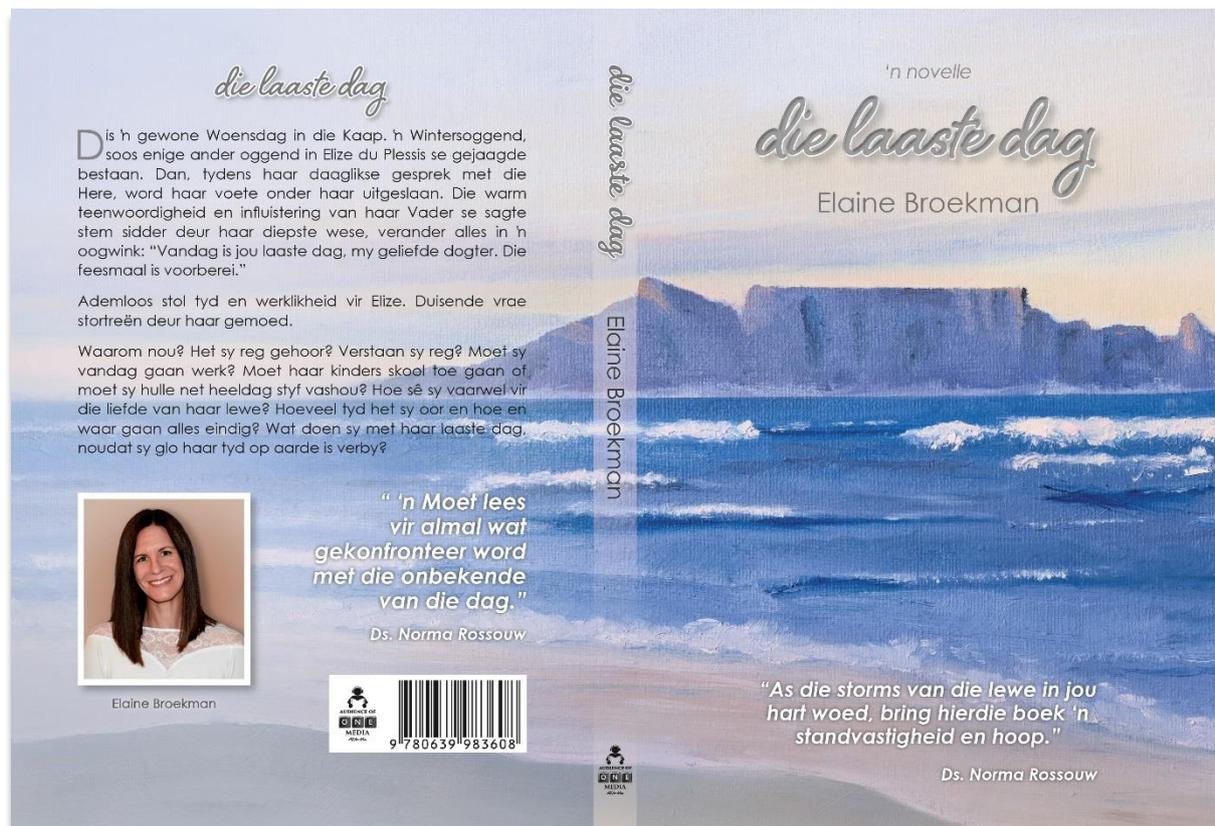

Dis 'n gewone Woensdag in die Kaap. 'n Wintersoggend, soos enige ander oggend in Elize du Plessis se gejaagde bestaan. Dan, tydens haar daaglikse gesprek met die Here, word haar voete onder haar uitgeslaan.

Die warm teenwoordigheid en influistering van haar Vader se sagte stem diep binne-in haar hart, verander alles in 'n oogwink: "Vandag is jou laaste dag, my geliefde dogter. Die feesmaal is voorberei."

Ademloos stol tyd en werklikheid vir Elize. Duisende vrae stortreën deur haar gemoed. Waarom nou? Het sy reg gehoor? Verstaan sy reg? Moet sy vandag gaan werk? Moet haar kinders skool toe gaan of moet sy hulle net heeldag styf vashou? Hoe sê sy vaarwel vir die liefde van haar lewe? Hoeveel tyd het sy oor en hoe en waar gaan alles eindig?

Wat doen sy met haar laaste dag, noudat sy glo haar tyd op aarde is verby?

Hierdie fiksieverhaal laat elke leser diep introspeksie doen oor hul eie lewens. Relevant en aangrypend, en volgens vele lesers "moeilik om neer te sit".
